

It has been an emotional week saying farewell to teachers and pupils. Mrs Jones has been part of the Carleton Green family for 18 years. She has immersed herself into every aspect of life here and over the years she has helped so many pupils and colleagues flourish. She is to work closer to home in September and we wish her all the very best for the future. Mr Vaughan sadly could not end the term with us as, despite being well and testing negative, he has been required to self-isolate. His dedication towards giving our pupils the very best along with his cheeky sense of humour will be greatly missed. Mr Cooper has made a fabulous addition to our team along with his expertise with trips and outdoor learning! His sense of humour too has kept us going on many a long day at school! We also are waving Mrs Harding off on her travels as she leaves to live in Germany. She has supported many pupils with their education and will be a much-missed colleague. Miss Clarke is due to commence her maternity leave in September and so we wish her all the best and will be looking forward to baby cuddles.

Our Year 6 pupils have been a wonderful cohort and are my first leavers of being with me as their headteacher for their full seven years. They have been an intrinsic part of the steady changes of Carleton Green, making it the brilliant school we have today. Each member of the year group has brought something positive to our school and I am absolutely certain that they will continue to thrive at High School. We send them on their way with much love and wish them all the very best for their futures. All our pupils have worked hard this year and have coped tremendously with the changes brought on with the pandemic. I could give every single one an award of some nature and I know the teachers find it very hard to select specific children to receive these.

All the children that put themselves forward to be considered for next Years' Head and Deputy roles have made me feel incredibly proud. The letters were well written, showing a true want to represent our school. The presentations that were made by those shortlisted were lovely and we all enjoyed watching them. Our Carleton Code that runs intrinsically through all aspects of school life is designed to promote aspiration and a desire to be the best we can along with developing resilience. We have assigned a few Prefect Roles ahead of next term to the new Year Six pupils that have demonstrated positive attitudes towards school life. Prefects, Heads and Deputies have to be true role models to others so that our younger pupils will want to work hard and be like them as well as be involved in the wider aspects of school life. The four children who secured the top votes from the pupils and staff are:

In September 2021, The Royal Ballet School is launching free Primary Steps after-school workshops for Year 3 pupils in the Blackpool area. The workshops offer a creative introduction to ballet taught by The Royal Ballet School's Primary Steps teachers. There will be 28 places available, with the aim of achieving a class that is split equally between girls and boys.

Following on from these sessions, some children may be invited to join our after-school Primary Steps classes, providing weekly classes until the end of Year 6.

This opportunity is only for pupils who will be in Year 3 in September 2021. The link below is to be used by parents/carers to apply for a place:
