Week Beginning the 12th December ~ Christmas Productions for EYFS and KS1.

Friday 16th December ~ Break up for Christmas.

Back to school on Wednesday 4th January 2023.

Help please

Thank you so much to those that have helped clear our outdoor spaces this week.

We have lots of lovely coats, jumpers in our lost property box – please have a look to see if you can claim back a lost item.

We have enjoyed a fabulous return to school this half term. The children have settled in well and have worked hard. We have been working hard to ensure our curriculum is engaging for our children. This is published on our website for you to see. We also have been working at improving our communication between home with this revised format of newsletter and streamlining our website.

Bonfire Night will be on **Saturday 5th November** this year. It can be one of the most exciting nights of the year for all the family. It is a chance to watch the fireworks, play with sparklers and have jacket potatoes, sausage rolls and toffee apples. However, there are many potential hazards with fireworks so it is important to stay safe.

Please remember to keep a safe distance from the fireworks and bonfires. The Royal Society for the Prevention of Accidents have a section on their website around keeping safe and guidelines for bonfire night. Please click <https://www.rospa.com/Home-Safety/Advice/Fireworks-Safety> to read more about it. We wish all our families a fun and safe weekend and bonfire night.

Next Term the children will have two PE kit days.

These are being introduced to help the teachers be able to deliver the correct amount of PE lessons to a high quality. It also should reduce the amount of uniform you will require. We have structured the days to give you a day in between to assist with washing clothing too.

Hérons ~ Wednesday & Friday
