## General Updates:

We are lucky to have Yoga sessions being provided for our children across school next week.

For our Little Chicks, Ducklings and KS1 this will be on Wednesday. Our pupils in KS2 will have their sessions on Thursday. If not their normal PE day please send your child into school wearing PE kit.

## Sport update:

Our footballers attended a match on Monday playing against the team from Chaucer Primary. 6-2!!!!!!! Mr Thorpe is always impressed with the super attitude of our players.

Our dancers are busy practising for the festival that is due to take place on the 6<sup>th</sup> February and our athletes are preparing for the annual indoor athletics competition that is taking place soon at Rossall.

It was a shame that there was not much uptake for a girls football club this time and wonder if it was because the timing of it clashed with dance. We will try and rearrange this for next time.

I have met with the teachers across school this week to discuss the learning and attainment of the children. The teachers and children are working very hard with evidence of good progress being made.

It is very important that daily reading takes place at home and that basic number skills are practised regularly too.

There was a definite link between low attainment and low school attendance – it is very important that you get your child into school on time every day.

Miss Parker (our SENDCo) is available to support parents of children that have additional learning needs on Tuesdays and Thursdays as well as after school on a Wednesday.

If your child would like a themed lunch on Friday 20<sup>th</sup> January. We ask that children order with their class teachers on the day before (Thursday)
