# Sport this week:

On Monday our footballers once again came home with a secure win!  
5-1 against Shakespeare.

To celebrate football in the community Kieran from Fleetwood Town presented us with some free footballs and took this picture with the team.

Kieran works closely with us helping with PE and extra-curricular clubs. He also delivered an international day of kindness workshop to years 3 and 4 yesterday as part of Children's Mental Health Week.

The dancers once again were amazing. They have been practising hard in school and then really shone as they took to the dance floor in the Tower Ballroom. I do not underestimate the time and effort put into rehearsals, choreography, costume, make up, letters to parents, transport etc etc etc it takes to be part of events like this.....HOWEVER, the experience that the children will have had dancing on the Blackpool Tower dance floor in front of a full audience will have a lasting impact on the children's memory forever more!!!! Thank you to all those involved in making this possible.
