Raising money for school:

Community use of our school.

We are seeking ways of securing additional funding (the National Lottery) to join The Wing to our school hall. This would allow us to have a new entrance to our school hall; affording us a waiting space for school functions along with increasing the safeguarding of our pupils by enabling them to access the Wing internally.

It also would afford us the capability to let our premises for greater community use as we would be able to maintain full security of the remainder of school while allowing full use of a kitchen area, toilet and hall along with our school grounds. If you know of anyone that would be interested in letting such a space for use in an evening or weekend please ask them to get in touch.

We believe that our school could be put to better use beyond school hours for sport such as Yoga, Pilates and Aerobics classes. Scout groups could be run from here also. We could let our space of children's parties too. The avenues for options of use are limitless.

Vacancies in school:

Breakfast Club – 08:00-09:00

Welfare at lunchtime 11:30-13:00

Afterschool Club 15:30-17:00

If interested in applying for any of the above positions please contact:

Active Highlights....

Do you run or volunteer at any local sports and activity groups? We'd love to share all of the great things that our children are doing and encourage more children to come along. If you want yours to be highlighted in our newsletter, please write a small description (feel free to include pictures like Gemma has) and email it to Mrs Shepherd at j.shepherd@carletongreen.lancs.sch.uk

Anchorsholme junior parkrun is a super event that has been taking place since September 2021. It is a well marshalled 2 kilometre course (2 laps of 1km), and it welcomes children from ages 4-14 (parents are more than welcome to run/jog/skip with their child if needed, but it is also a safe event for your child to participate on their own with parents as spectators)

There is a mass warm-up at 8.55 am outside the Brew cafe, with the event starting at 9 am.

Theo has now participated in Junior Parkrun 70 times and has volunteered 30 times too. Since taking part, he has become much more confident and fitter, which has also positively affected his football and swimming.

The event is free; you just need to register once and bring your barcode along (phone/watch barcodes can now be scanned too!)

Is your child worried about finishing last? They don't need to be!

There is a tail walker at each event, so you would never finish last.

Are you worried that your child can't run 2km? Don't be! They can run, jog, and walk as they please.

For more information, have a look at the FB page Anchorsholme Junior Parkrun or <https://www.parkrun.org.uk/anchorsholme-juniors/>

There are also nearby junior events in Lytham and Preston.
