Fire, fire....

Luckily, I can confirm that there was no fire earlier this week. There was a fault in our alarm that sent us all hurrying outside in the rain.

The children were remarkable and carried out our practised procedures sensibly, enabling us to resume lunch as soon as possible. All the staff, equally demonstrated a good awareness and maintained a calm environment.

While I checked to establish whether the school was safe to re-enter, Miss Savage booked an engineer to rectify our alarm system. No fire brigade was required on this occasion.

The older children really took on a nurturing role and cared for our younger pupils.

Although, this was an unexpected event; it was reassuring to see how all members of the school coped so well and all remained safe.

WOW!!!!!!!!!!

Well done to all the children and teaching team in our Lower Key Stage for their wonderful end of Spring Term performance of 'Rock Bottom'. Thank you to the staff who made the props and all the support from families with the costumes. Thank you to Mr Shepherd for the microphones and Miss Savage for the loan of the lighting. It was a very professional production. It made me very proud!

Clubs will refresh next half term with a plethora of activities planned to take place. Please use the link to book your child onto a club of their choice. School Cloud will be open for bookings from Monday 3rd April – Monday 10th April. Some unfortunately have to be limited in their numbers due to staffing ratios.

Sport this week:

Playground leader training finished this week with our new leaders teaching and playing games with our year 1 students.

From Summer they will lead and create games at lunch! They have done a great job and we can't wait to see them in action after the holiday.

Thank you Mrs Shepherd for stepping in for running club! We are sorry that the girls football was postponed. Well done everyone that have competed this past term.
