Monday 17th July ~ Got to Dance from 17:30
Thursday 20th July from 18:00 BBQ & Leavers' Assembly

Thank you to those that have taken the time to provide us with valuable feedback on our school.

It was really wonderful to read how highly our school is regarded in terms of supporting our children with their learning and with their well-being.

Communication was a common thread for an area for us to improve with too many platforms used for you to navigate with ease. This is something we completely agree with and are to launch a new system today that will streamline everything to be in one place. This is the last time this newsletter will be emailed to you. ClassDojo will evolve over time and homework and any information will be shared on this.

What is ClassDojo?

[ClassDojo](#) is digital sharing platform that allows teachers to document the day in class and share that with families via a web browser so that nearly any device can access the content – from a simple smartphone to a laptop computer. As long as it has a browser, photos and videos can be viewed.

ClassDojo's messaging allows parents and teachers to communicate through commenting on photos and videos and messaging directly. The translation service that offers more than 35 languages is a great tool since it allows teachers to enter text in their native language and have all parents and guardians read it in theirs.

ClassDojo allows teachers to work with the class remotely too, including to provide activities for students, deal out classwork, and share lessons. Students can earn Dojo Points based on their conduct, letting teachers use the app to foster positive student behaviour.

Use this link to get your invitation:

<https://www.classdojo.com/ul/p/addKid?target=school&schoolID=4f0e08ee3b7c029066dc69f5>

Our website is a window into our daily school life and we feel the need to update the photographs. You will be informed if your child is required to bring anything specific to school on this date – such as their brass instrument, sport kit...

PE days were also reported to be an area of difficulty and so the days below are set for the term:

Parrots	Tuesday and Friday
Hérons	Tuesday and Friday
Robins	Tuesday and Friday
Doves	Monday and Thursday
Kestrels	Monday and Thursday
Owls	Monday and Thursday
Hawks	Monday and Thursday
Falcons	Tuesday and Friday
Eagles	Wednesday and Friday

Face to face parents' evening were asked about, but we are to not going to reintroduce face to face parents' evenings for safeguarding reasons of my staff and to protect pupil privacy. However we are in agreement with the feedback that suggested we create more opportunities for parents to be invited into school to see how well children are learning and to look at their work each term.

This will start next half term. Have a look on the calendar section to find out when your child's class are sharing their learning.

Got to Dance- this year's competition will be held on Monday 17th July at 5pm. If you would like to audition, please send your audition video via email to Miss Lees or Miss Clarkson by **Friday 23rd June** at the latest. Your dance can be a solo, duet or group dance. We can't wait to watch you dance!

Thank you so very much for the amazing mud kitchen for our Ducklings and Little Chick's Luna W's Mum and partner have produced a fabulous resource!

We are having our annual school science week when we return after the half-term break. To begin the week, we have arranged for Alan Ames, 'The Birdman' to come and visit with his birds of prey. Each key stage will have a hands-on presentation linked to their science curriculum for e.g. life cycles, food chains, habitat, evolution and adaptation.

The most recent non-uniform days have contributed towards the price for this exciting day.

If any parent is currently working in the scientific field we would be most interested for our children to hear about your work. If you feel able to volunteer a little time please get in touch with Mrs Catterall on m.catterall@carletongreen.lancs.sch.uk

Competition time..... We are looking for a great artist to design the cover for a postcard. We are looking for something that captures the ethos and essence of Carleton Green.

.....Mr Boyd has specified that it needs to look professional.

Deadline for designs is Friday 30th June 2023. Good luck!

The winning design will be chosen for printing. We are to post these postcards home to highlight when a child has done something particularly well.

Achievements.....

Amazing
achievement Amelia!
We are so very proud
of you!

Northern
Taekwondo are
so impressed !

Stars of the Week:

Well done to:
