

Issue 240 Week Ending Friday 12th March 2021

Dates to consider:

Week beginning 22nd March ~ Science Week in school.

Friday 26th March ~ Break up for Easter at 15:30

12th April ~ School re-opens for the Summer Term.

Play Area is officially opened.

Week beginning 19th April ~ Extra-Curricular Clubs will start.

Week Beginning 14th June ~ Year Six Carleton Green SATs

The children have made a fabulous return to school where it has been delightful to see friendships reunited again. You clearly all have been working very hard to make sure that their learning has been maintained throughout the lockdown.

If any of our Year 6 pupils would like to be considered for the role of Sports Captain please email a letter to Mrs McEvilly by Monday the 23rd March, detailing why they think they have the skills and qualities to be a successful leader along with what they would like to do in that role. The successful sports captains will be announced in the newsletter as we break up for Easter.

On the 12th April we are to open our new play area. Our Sports Captains and Heads and Deputies will be involved in this and are invited to attend school wearing their PE kit.

*Thank you for your continued support both within and beyond school. Stay Safe, Susan McGrath, Headteacher. head@carletongreen.lancs.sch.uk

Science Week and the theme 'Smashing Stereotypes'

'Smashing Stereotypes' aims to encourage STEM employees and researchers to share stories about their day-to-day work and highlight the diversity of the STEM workforce, the extent of jobs and careers available, and that scientists are just like everyone else.

We'd love to hear your stories, especially if you work in science but in a non-traditional way. Perhaps as a personal trainer, urban grower or cosmetic product developer – the list is endless, really. Scientists can wear lab coats and work with test tubes but not always. We would also still love to hear from you even if you are working in a more traditional scientific job too.

It would be lovely for our children to gain a real insight into what modern day scientists look like and what they do exactly. If you have a STEM themed job and you would be willing to arrange a live Zoom session with your child's class to tell them all about your job, please contact your child's class teacher via their school email address. We would like to do this during our school Science Week, the week beginning 22nd March. Please could you contact your child's class teacher by 19th March if this is something that you could help us with.

Parents of Year 6 pupils have organised an ordering form for getting 'Leavers' hoodies.

Thank you to parents of year 6 pupils who have already placed orders for Leavers' hoodies. Please don't forget to place your order using this link <https://www.surveymonkey.co.uk/r/Z8Y3JWF>
