

It has been wonderful to see some pieces of artwork up in The Gallery at Blackpool University. Elissa Mercer, Reuben Peacock, Olivia Shaw and Tiggi Taylor all were awarded certificates for their efforts. Well done!

This has been a week of celebrating musical talent with a performance on the stage at The Winter Gardens by our Year 4 Ukulele players. They have only been learning to play since September, yet played so confidently to a huge audience on Tuesday evening. It was a pleasure spending the afternoon and evening with these pupils. They enjoyed the opportunity and rose to the challenge. Then last night our Choir represented Carleton Green in the Last Choir Singing competition. They looked and sounded most impressive with Mr Boyd accompanying them beautifully on the piano and Mr Jones conducting. All involved enjoyed the evening despite it making yet another very long day. In light of all we do at Carleton Green we have been awarded a Music Mark –

[Music Mark | Leaders of high quality music education for all](#)

 PTFA. Our Parents and Teachers Association is becoming ever less populated and we really need parents to volunteer a bit of their time to help support fundraising events that then will support the further development of our school. The planning permission for the hall extension with Nurture Room has been successful and so we now need to actively begin to raise money for this project so that it can take place. So far the PTFA have raised enough to incorporate a sound system and remote control projector for our future school hall. We are holding Mother's Day cake decorating event this Friday and an Easter Disco on Wednesday 23rd March. Both events would welcome support. We also are wanting to create a School Cookery Book where a member of our Year One class approached me via a letter earlier this year asking that we create a school cookery book. Charlie Timperley Green was invited to attend our recent school council meeting to share his idea which was well received. We would like to invite all to send in recipes and methods together with a photograph of the finished produce to:

d.crooks@carletongreen.lancs.sch.uk We will then collate the savoury recipes and the dessert recipes that have been sent in to produce a school cookery book which will be available to buy later on in the year.

 Social Media update. In light of recent activity all the teaching staff at school have been requested as part of our safeguarding policy, to remove all parents as contacts. We hope that this will not cause any offence but rather that you understand and support us in maintaining a safe and professional working environment.

Just for your information: There is no longer netball club taking part after school as Mrs Harding will be running booster sessions with the Year Six pupils. Details of clubs for the summer term will be coming shortly.

We have noticed an increasing number of children being taken out of school during the school day. Please can you endeavour to make appointments for dental visits to outside of the school hours?

Our school is a no smoking site. This ban does include the smoking of e-cigarettes. Please respect our policy and keep our grounds smoke free.

Dates to note

(this list is by no means exhaustive so please keep looking for additional events and information)

Tuesday 15th March – Robins Class Assembly 15:00

Tuesday 15th and Thursday 17th March 16:00 – 19:00 – Parents' Evenings for Years 1-6 with mid-term reports.
