

Congratulations to Robin Turner who was presented with a Key Stage 2 Scientist of the Year trophy on Tuesday at the Ogden Trust Science Awards night at Blackpool Sixth Form College.

This was read out as he received his award:

“Throughout his time at Carleton Green, Robin has shown both a passion and talent for science. He fully engages in any form of scientific enquiry and will pursue this further by researching topics independently in his own time. Robin has excellent scientific knowledge and understanding, which he continually builds upon, driven by his own enthusiasm and motivation. Well done Robin.”

Welcome back to school. We hope that you enjoyed the holidays and coped if like me your children are having different holiday dates. We have a busy term ahead of us and I have tried to list all the dates of events that are coming up but as always please be mindful of additional details.

Disappointingly we have not had much of response to our school recipe book. This idea came from one of our Year One pupils and he is most sad by the lack of interest and has written the following letter:

Please can we have more recipes for the school cookery book as we don't have much at the moment? If you could please send in recipes and photographs for homemade meals and desserts it would make us happy and help us a lot. The book will be sold in school to raise money for charity. Charlie.

The Sports Page @ Carleton Green

Welcome back to what is going to be a very fun and sporty Summer Term!

Firstly I would like to begin by thanking you all again for your huge support and enthusiasm for Sports Relief. Over £1400 was raised, which is AMAZING!! The day was very exciting and energetic and the children did you all proud. What a fantastic day for such a good cause.

I would like to celebrate the fantastic achievement of Katie Workman from Owls who swam 1 MILE to raise money for children who have cancer. Katie you should be very proud of yourself for doing something so fantastic for not just yourself but for other people too. WELL DONE!

Well done to our Football team last night for winning 2:1!!

I was very lucky enough to go and watch Ricky Barstow from Doves compete in his motor-cross racing. Ricky competed at the Leisure Lakes during the Easter Holidays and did himself proud. As you can see from the photograph Ricky was the first out of the gate. Ricky raced against 27 other racers and came 12th overall. WELL DONE RICKY!

Please keep me updated with anything you do out of school. It is fantastic to know about and hear about your fantastic achievements outside of school!

Mr Vaughan and Mr Cox have now started girls' football team. If you are in Years 4, 5 or 6 and would like to train at lunch time please make sure you have sports clothes (tracksuits/joggers) and trainers in school each day. I know there are a few football matches coming up which is something is exciting!

I cannot thank you enough for all the amazing photographs you have emailed me and sent into me. It is fantastic to see how active and healthy you all are in very different ways. Please continue to send these in for them to be displayed in school.

These are to be no bigger than 6 x 4 inch and to be sent to **MISS HOWARTH**. If you would prefer to email them, please send them to; r.howarth@carletongreen.lancs.sch.uk

Kind Regards,

Miss Howarth
PE and SSP Co-Ordinator

Our afterschool club is becoming increasingly popular. Please note that the opening hours are from end of school at 15:30-17:30. Some families are repeatedly taking advantage of our good nature and turn up late which is resulting in our staff having to work beyond their paid hours.

As mentioned many times the carpark at the front of school is designated for the staff that work within our school only. We ask that all our families respect this and park outside the school grounds after 08:00. Due to many instances where this request is not being applied we now are being asked to record the registration numbers and to notify the police. We ask that you respect this for the safety of your children.

We have noticed an increasing number of children being taken out of school during the school day. Please can you endeavour to make appointments for dental visits to outside of the school hours?

Our school is a no smoking site. This ban does include the smoking of e-cigarettes. Please respect our policy and keep our grounds smoke free.

Clubs for the Summer Term will run as follows:

Monday: Football for the years 4,5 &6 boys 15:30-16:15 with Fleetwood Town

Tuesday: Guitar Club 15:30-16:15 with Mr Cox
