

It's been a super week with a wonderful assembly from the Yellow Ducklings. They performed brilliantly, displaying great confidence. I have enjoyed being shown the writing from the Ducklings of both classes and am very impressed with their progress. It has been a much warmer week where the children have enjoyed the space afforded by being able to play on the field. Please remember to send your child in with a hat and sun cream to protect them at these times. We are mindful that ties will be too warm during this summer term so will be expecting children to be wearing open necked, short sleeved shirts (not polo shirts) or summer dresses as the summer uniform.

A very exciting week for the football teams this week:

This week the boys' A and the B team played against St Chad's at home and won 10-0. The sun was shining, there was excellent parental support and as always the boys were in high spirits.

They also played at home last week and won 2-1 against Carleton St Hilda's. Well done to you all!

The girls' football team played their first match this week against Sacred Heart. Considering they have only recently started training, they played extremely well and WON 2-1. A huge well done to you all, keep it up!!

Thank you for your continued support it means a lot to the staff and all of the children!!

Five children in year 3, 4 and 5 were chosen to have a day at Fleetwood Training Ground and Stadium. The children had a fantastic day yesterday. They had an opportunity to; watch the team play, get autographs, have a tour of the stadium and meet Captain Cod! Mrs McCardle has praised the children on their enthusiasm and behaviour. Well done to all 15 of you and we are glad you enjoyed it!

Date for Year 6 children: The children in Year 6 will be having their Bikeability training on Friday 13th and Monday 16th May. They will need their bikes in school on these days. More information will be sent out soon.

As mentioned many times the carpark at the front of school is designated for the staff that work within our school only. We ask that all our families respect this and park outside the school grounds after 08:00. Due to many instances where this request is not being applied we now are being asked to record the registration numbers and to notify the police. We ask that you respect this for the safety of your children.

We have noticed an increasing number of children being taken out of school during the school day. Please can you endeavour to make appointments for dental visits to outside of the school hours?

Our school is a no smoking site. This ban does include the smoking of e-cigarettes. Please respect our policy and keep our grounds smoke free.
