

Over the year we plan themed weeks with next year focussing around Science. We are particularly looking at how things work and how to care for our planet. In light of this we are making the Wednesday a NO PLASTIC DAY. This means that we are asking that the children bring as little as possible in the form of rubbish that requires to be thrown away. Plastic lunch boxes and drink bottles are fine. The class with the least amount of rubbish will be awarded in the assembly that day.

The week is to end with our open afternoon where we would like family members to join us in our learning and enjoy some time in school. This is to start from 14:00.

Hawks Class are selling smoothies and smoothie shots at playtimes on Monday. The smoothies will be selling at 50p and the shots will be 25p for two. All profit will go towards buying items for their class garden.

Falcons Class are selling food items on the 24<sup>th</sup> and 25<sup>th</sup> May at playtimes. Everything will be priced under 50p. The money raised will be used for their class garden. All food will be nut free.

This week has seen the first of the SATs for our Year Two pupils under the new curriculum. The children have been able to 'show off' all their learning and we are very pleased with their efforts and great attitudes.

To celebrate the Queen's 90<sup>th</sup> Birthday we are to have a special lunch provided by our cook on the 10<sup>th</sup> June. If your child normally has a packed lunch but would like to be part of this celebration please let the school office know at your earliest convenience and no later than Wednesday 25<sup>th</sup> May.

**Urgent plea!** Could all parents please check their child's hair for headlice this weekend and treat if necessary. We seem to have a problem with reoccurring infestation.

### The Sports Page @ Carleton Green

A huge well done to these children and their families. This FREE Programme is delivered in partnership with Lancashire County Council at venues across Fylde and Wyre. Healthy Living and Sports week will begin on Monday 13<sup>th</sup> June. We are looking forward to a fun-filled week of learning how to be healthy and being active!!

Clubs; Please encourage your child to attend a new club or attend the club they have put their name down for. We have lots of exciting clubs happening and we would love your children to attend. It would be fantastic if you would come to clubs as you have the opportunity to maybe represent school in competitions. Next half term there is a y5/6 basketball competition and Kwik cricket for year 5/6 girls and boys. Year 5/6 boys and girls are invited to learn Kwik Cricket every Wednesday. Year 5/6 boys and girls are invited to learn basketball on a Friday. Year 3/4/5 children are invited to learn rounders on a Wednesday. Year 5/6 Change for Life Club will finish next week. Year 1/2 Bocchia club will finish next week. I know the children who have attended have really enjoyed it!!

#### Gentle Reminders:

As mentioned many times the carpark at the front of school is designated for the staff that work within our school only. We ask that all our families respect this and park outside the school grounds after 08:00. Only this week two of our teachers reported that they nearly hit children who were running across the carpark to access school.

**Please stay out of the carpark and use the path to the main entrance.**

This article was recently published for the attention of all headteachers:

*There have been a number of accidents involving vehicles manoeuvring in Lancashire school car parks and sadly one accident resulted in a fatality. This highlights the need for premises managers to ensure a robust risk assessment is undertaken and arrangements are put in place for keeping these areas safe.*

We have noticed an increasing number of children being taken out of school during the school day. Please can you endeavour to make appointments for dental visits to outside of the school hours?

Our school is a no smoking site. This ban does include the smoking of e-cigarettes. Please respect our policy and keep our grounds smoke free.
