Issue 92 Week Ending 2nd December 2016

I am sitting here on a Friday evening listening to the community band play thinking that this is very late to be sent out. However I wanted to share that once again this week I have been amazed by some fabulous work taking place across school. Our writer and mathematician of the half term work show brilliant progression. I was thrilled to work amongst year one and two children in Herons today as I watched while they industriously produced the most fabulous letters.

Headlice are a very unpleasant side to school life. Children work and play alongside one another and therefore sadly can easily share these little creatures. They cause great discomfort too. **Please, please** check your child's hair this weekend and if you find any unwelcome visitors please treat your child's hair and that of everyone in the home.

We hope that you like our Christmas lights in our garden area. We are very grateful for the kind donations of £55 which will go towards our gardening project. All the staff stayed behind on Wednesday evening to decorate our school so that the children could start December feeling festive. We would like to thank the Plant Place for their donated Christmas Trees. They look so lovely in our entrance and hall.

Please look at the dates for events that are coming up. The PTFA will be running a disco for Christmas on the 15th December. This will run with a session for the infants first and then the juniors as normal.

Well done to the following children for being our stars this week:

Molly Nolan, Jack Hanson-Brazil, Lillie-Jess Peters, Lily Johns, Maisie Howell, Finlay Gallagher, Kai Hodgekinson, Nicole West, Laila Hardman, Millie Potts and Jack Booth.
