Thursday 16th December ~ Carol Service at Rossall Chapel from 17:30.

Friday 17th December ~ School Closing for the Christmas Holidays.

It has been brought to our attention that the driver of this car allegedly verbally assaulted one of our neighbours last week when asked to move as were blocking a driveway. We are aware that this has been reported to the police who will be circulating the area. We operate a zero-tolerance policy to not accept to any form of anti-social behaviour and are able to exercise the right to refuse future access to school and its surrounding grounds.

We always ask that parking is considerate to the homes in our locality along with NOT using the school carpark.

COVID cases are back on the rise in our school community. Please be vigilant and carry out a lateral flow test if your child is suffering with a headache, temperature, aches and general fatigue. We all need to continue to wash hands, socially distance as much as is possible to stay well.

I have seen some amazing writing across school this week with that of Faye R and Madeline A standing out as most impressive. It is evident that both are passionate readers as their writing flows and has a clear style. Our prefects are doing a great job of hearing our younger readers and we hope that this will help develop their fluency. Our lovely local author; Dan Worsley is to come into school in November and will be helping develop our Year 3 and Year 4 writing. He will also be holding a whole school assembly and will end the day with book signing in the wing.

*Thank you for your continued support both within and beyond school. Stay Safe, Susan McGrath, Headteacher. head@carletongreen.lancs.sch.uk

Issue 256 Week Ending Friday 24th September 2021

As you can see from the calendar above our school will be taking part in JUST ONE Tree Day on 15th October. Each child is being encouraged to wear their own clothes and something green. We ask that they bring in £1 to fund the planting of their tree.

JUST ONE Tree is a non-profit initiative removing CO2 from the atmosphere and reversing biodiversity loss through global reforestation. JUST ONE Tree supports established reforestation companies who plant in areas severely affected by mass deforestation such as Kenya, Madagascar, Haiti & Indonesia. In doing so they have the greatest positive effect on limiting global warming whilst simultaneously alleviating extreme poverty within local communities through the provision of training, agricultural education and sustainable incomes.

JUST ONE Tree makes it simple for everyone to contribute to collective action on the climate crisis because Just £1 plants 1 Tree.

We're sure you will agree that tree planting is absolutely essential at this critical time for the planet. We will therefore be joining children, parents and teachers around the world on this day to demonstrate that an individual's actions can have a positive impact on the environment.

Please bring your suggested donation of £1 to school on 15th October. More information can be found at: <https://www.justonetree.life/>

We look forward to counting the number of trees that our school community can plant!

Our Stars this week have been:

Ralfie S in Yellow Ducklings, Reuben W in Brown Ducklings, Thea G in Herons, Teddy H in Parrots, Alice D in Robins, Jacob M in Owls, Eva P in Doves, Harry E in Kestrels, Harrison P in Falcons, Faye R in Hawks, Summer W in Eagles.

Well done to you all!
