Attendance Matters!

Every Student, Every School, Every Day

Great school attendance is really important for all our pupils at Carleton Green! We are reintroducing our weekly tracking to be shared on our newsletter with winning classes awarded an additional playtime. Children that have improved or great school attendance will receive a half termly certificate. Being late for school can be as detrimental to a child's success as not attending at all. Our registers are now being taken at the start and the end of each of our school days to accurately track lost learning time. We would prefer all appointments to be kept out of school hours wherever possible and ask that details of appointments that are requiring time taken in school hours are provided to Mr Fish or Miss Savage. An updated version of our attendance policy can be found on our website. Good attendance at school is not just valuable, it's essential. Going to school is directly linked to improved exam performance which should in turn lead to further learning opportunities and better job prospects. As well as this, going to school helps to develop:

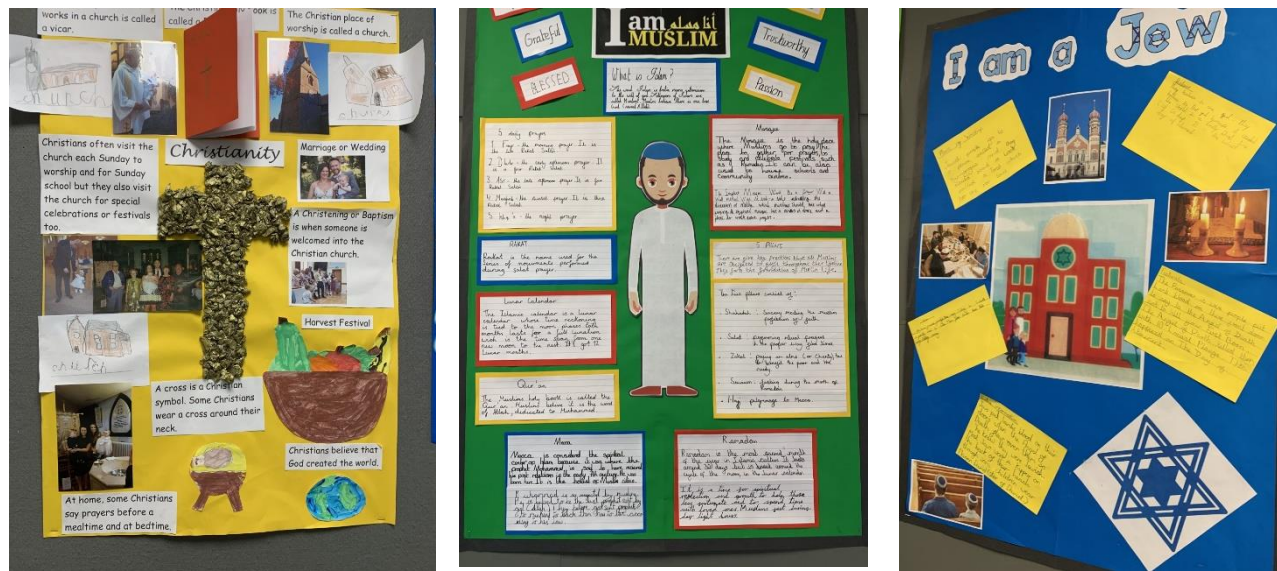

- Friendships/good mental health
- Social skills
- Team values
- Life skills
- Cultural awareness
- Career pathways

This week the best classes for arriving on time are: Parrots, Herons and Brown Ducklings

Inter Faith Week at Carleton Green.

Last week we all enjoyed celebrating Inter Faith Week. This allowed the children to learn all about different religions in our community and around the world. Each class had to focus on one religion – Christianity, Islam, Hinduism, Sikhism, Judaism or Buddhism and find out key aspects, such as: places of worship, key figures, special occasions and holy books. We created some fantastic posters which are now displayed around school. Well done everyone!

Well done to this week's Stars!

Yellow Ducklings - Elise I, Brown Ducklings - Reuben W, Herons - Kennedy B, Parrots - Freddie C, Robins - Alice P, Owls - Isabelle R, Doves - Ella K, Kestrels - Aiden G, Falcons - Alfie W, Hawks - Cole C & Eagles - Emily H

Outdoor Learning ~ Mrs Hick's has been working hard putting our hedgerow in place with the children. Mrs Bancroft kindly joined us and informed the children all about trees. She shared lots of fascinating facts with children and we already are looking forward to her joining us again! The greenhouse is in working progress, hopefully ready for the Spring time.

A fun race at Stanley Park this weekend.....
