Issue 266 Week Ending Friday 7th January 2022

Tuesday 1st March – KS1 Trip to Dove Cottage, Grasmere in the Lake District.

Happy New Year to you all. We hope that you have managed to enjoy the break and remain COVID free. We have unfortunately started the new year with absent members of our school with both children and staff testing positive with COVID. We do not like using supply teachers to cover for staff absences but it has been a necessary step this week to retain face to face teaching and not resort to home learning. Miss Hunt has been a very welcome additional member to our school where we will be sad to see her leave in a few weeks' time. She is due to commence a further placement in a different school setting to complete her training. Miss Howell is currently gaining some experience in a different setting for her teacher training course and so Herons will be taught by Mrs McEvelly during the weeks she is at Anchorsholme. Mrs Lee is to provide the learning in Parrots on Fridays now Mrs Oddy has retired. She is an experienced teacher, currently working on other days at Baines Endowed in Blackpool. We warmly welcome her to our team.
