activity. Each phase in our school has selected an afternoon for family members to come and spend an hour in class. We have separated the sessions to avoid having too many people in the building at one time. Although we are having to learn to live with COVID we do ask that you please do not come if you are feeling unwell with COVID-like symptoms.

Helping Hands are looking for a new Chair as Mrs Pollitt has sadly had to step back due to work commitments. She made a wonderful start to re-establishing our PTA. The role requires regular meetings with school as well as liaising with and leading other enthusiastic parent volunteers along with planning and running fund raising events throughout the school year. We have a fabulous Treasurer (Mrs Haige) who keeps track of the funds along with being very supportive. Please let school know if this is a position you feel you have capacity to fulfil.

The news is becoming increasingly upsetting. I would really like it if we could come together as a community to actively support those in the Ukraine. We are being told that money is more helpful than our sending items and so I wondered if anyone would like to share their ideas for how we could raise funds to send from our school?

Please have a browse in The Wing to look at 'Maggie's Rail' for any items you may wish to have to top up your uniform stash!
