watchers thought it was the best ever! Shakespeare Rocks was a major hit with all the children taking on excellent roles. Those helping with the scene changes and technology were superb!

While the Year Five's and Six's were taking to the stage, some of our year 3 and 4 pupils enjoyed an afternoon at Millfield High School at a multi skills competition against other local primary schools. The children were exceptional and we're very proud to say that they won. Well done!

All year 5 students have been invited to apply for the role of Sports Captain for next year. The Sports Captains will be role models for the whole school and will work with school staff to promote competitive sport events, sportsmanship and teamwork across school. Responsibilities will include attending sports council meetings, updating the school on competitions and results, helping to look after school sports equipment and helping to organise sports day and other events. To be considered then they should write a letter, outline their strengths and suitability for the role, to Mrs Shepherd by Friday the 8th July. If they would like more information they can come and talk to Mrs Shepherd before Friday's deadline.

Our four-day week ended with our magnificent Summer Fair. This was a huge success! Our newly established PTFA worked tirelessly to make this work along with the team at Carleton Green.

The children loved being able to access the activities during the school day with their friends. All we could hear resonating around the school grounds were children proclaiming it was the “best day ever!”

Thank you to all that supported us with making this an enjoyable experience for our children.

Next week our Year 6 pupils move out of their classrooms to allow all the other pupils to move to their new classrooms. They are to have Blue Moose Dance Academy come in on Monday to work with them for the day. They then have lots of fun things planned for the week ahead of their Waterpark trip. We hope they are enjoying their visit to their High Schools today.

We appreciate that change can cause anxiety and we will make sure that your children feel settled quickly in their new environments. We have shuffled classes about this year to ensure that we have balanced classes that can work harmoniously across each phase. As always friendship groups are considered along with matching teachers and Learning
