Matilda O, Sophia O, Milo H, Katie B

Miss Clarkson and Mrs Crooks have enjoyed delivering Kidsafe this term, working with some key year groups to ensure their well-being is paramount. This will continue with the rest of the school in September.

Thank you to all those that supported our book sale. Together we raised £156!!! This will go towards restocking our library.

We are excited to announce that in September our school swimming lessons will be taking place at Big Fish Little Fish. As a school, we are passionate about making sure our students receive a quality swimming and water safety education. All of our new year 5 students, and some of our year 6 students will take lessons with them next year. Our first groups will start attending from September. Please look out for an email with more details and a permission form to fill in before we return in September.

Despite all the challenges that have come our way our over the past two years; school has continued to provide the very best for our pupils and I am very proud to share that together, we have secured great outcomes for your children.

84% of our EYFS pupils have achieved the expected standard plus in their curriculum.

98% of our Year One pupils passed their phonics assessments.

100% of our Year Two pupils passed their phonics assessments.

96% of our Year Two pupils achieved expected standard plus is reading.

82% of our Year Two pupils achieved the expected standard plus in writing.

91% of our Year Two pupils achieved the expected standard plus in maths.

96% of our Year 4 pupils met the expected standard in the multiplication check.

88% of our Year 6 pupils have met the expected standard plus in reading.

83% of our Year 6 pupils have met the expected standard plus in writing.

91% of our Year 6 pupils have met the expected standard plus in maths.

Overall, 81% of our pupils are leaving Carleton Green for High School having met the expected standard plus in reading, writing and maths. (Compared to 59% achieving exp+ Nationally)

Along with these brilliant academic achievements this year we have secured Distinction Green Flag Award, Gold for Wyre in Bloom and now we have just heard we have:

achieved the School Games Gold Mark Award for the 2021/22 academic year. The School Games Mark is a Government-led award scheme launched in 2012, facilitated by the Youth Sport Trust to reward and recognise school's engagement (provision and uptake) in the School Games against a national benchmark and to celebrate keeping young people active, and we are delighted to have been recognised for our success. We are extremely proud of our pupils for their dedication to all aspects of physical activity and school sport, including those young volunteers, leaders and officials who made our events possible. We are committed to using the School Games to try and engage those young people who haven't previously been active or represented our school and to try and ensure that all our students have a positive experience and want to try out new activities beyond school too in our community. We believe in the power of physical activity and school sport as a school and give opportunities to those young people that need it most either as a participant, leader, official or volunteer.

Thank you for all you support and encouragement over the year as we continue to try and provide our students with many opportunities. We're looking forward to another successful sporting year.

These are all wonderful outcomes. I extend a very big well done to the team here at school as well as a huge thank you for the ongoing support we receive from home. We have thoroughly enjoyed hearing about your children's achievements outside of school and ask that you continue to keep us informed.

We hope you all enjoy a lovely summer and we wish our beautiful Year 6 children all the very best for their next chapter ... High School. We have an amazing Year 6 cohort with some fabulous Heads, Deputies and Prefects. School has run incredibly well with their input and help. They will be much missed. We hope that all continue to fly high and soar.

## Drowning Prevention - stay safe near water from Lancashire Fire and Rescue Service

Following the recent tragic drowning incident involving a 16 year old at Dawber Delph at Appley Bridge could the below message and attachment (the link is also included in the message) please be sent out via your usual communication channels, including traditional and social media platforms, before the summer holidays to help make your young people and their families aware of the risks of entering open water, particularly where it is not organised and at unauthorised locations which are usually unsupervised.

When the warm weather hits, please don't be tempted to cool off in open water -

- . The water is colder than it looks, even on a warm evening
- This can lead to cold water shock
- The current is stronger than it looks
- There are hidden dangers beneath the surface

If you see someone in trouble in the water:

- call 999;
- · encourage them not to panic;
- and, if they can't stand, float on their back in a starfish shape.
