Issue 290 Week Ending Friday 2nd September 2022

Wishing you all a very warm welcome back to school. It has been absolutely wonderful to see how well our children have returned this September following the long summer break. We have enjoyed welcoming our new starters to Little Chicks and Ducklings as well as some new members joining classes further up in our school. Mrs Clark (our new Deputy Headteacher) too has made a great start with us and we are looking forward to leading our school together.

When being out on the playgrounds in the mornings we have noticed an increase in the number of dogs accompanying our children. Although, we very much want to encourage walking to school with your furry family members we do stipulate that they are kept on a lead at all times (that is held by an adult) and that they are kept to the periphery of our school grounds. It obviously goes without saying that all dog mess must be cleared immediately. We are mindful that some members of our school are not that comfortable with dogs and would like that we respect their needs also.

Health and Safety ~ If your child has a known medical need you will receive a blank health care plan via email on Tuesday. We would like these to be completed at home and returned electronically to our SENDCo Miss Parker by Tuesday 13th September: a.parker@carletongreen.lancs.sch.uk

If you do not receive a blank health care plan yet you know your child has got a medical need please contact the school office.
