Well done to Doves for their assembly today!

Parents' evening appointments have been sent out for the 1<sup>st</sup> and 2<sup>nd</sup> November. We are to continue holding these online but appreciate that you miss the opportunity to see your child's work. In light of this we are to send the children's books home on the Monday so that you can see what they have been doing in school. It is very important that they are returned to school the next day for their learning to continue.

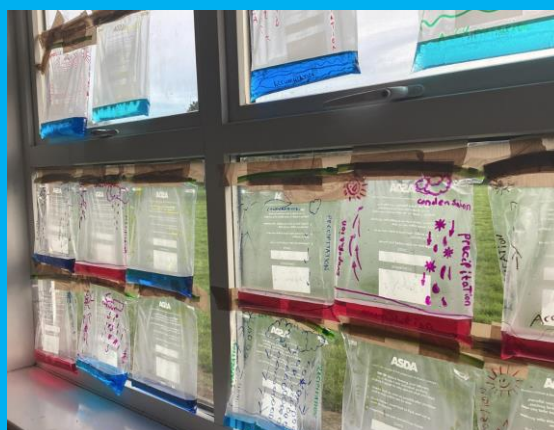

We have enjoyed another busy week in school.

The children in Ducklings have been doing so well with their phonics!

Children have been learning poetry in the infants. There has been some great dancing and singing going on to accompany this learning!

The children in Kestrels have been actively investigating the water cycle and enjoyed explaining the process to me.

And our Year 6's have enjoyed a super time away at Waterpark! The photographs on Dojo have been brilliant. Thank you to my team that sacrificed home comforts and time with their own families to take the children away. It is very much appreciated.
