Rossall Christmas Carol Service

On Wednesday 13th December, Carleton Green will be holding their Christmas Carol Service at Rossall Chapel. This was a hugely popular event pre-covid and we feel its time to bring the festive fun back! The chapel is bathed in candlelight as the children perform a range of carols that they have been practising in school. There are opportunities for families to sing along to some of our all-time favourites and some lovely readings from our Year 6 children to accompany the evening. Please feel free to come along to this festive occasion. Please book your tickets at carletongreen.schoolcloud.co.uk

Polite Notice

We have received a number of messages from the school's neighbours regarding parking in the mornings and afternoons. As with the majority of primary schools in the country, we do not have a 'parent' car park. Could I please ask that you park considerately and ensure you are not obstructing drives, garages or access to roads. Please be respectful of our neighbours.

Thank you to all who came along to our second Wreath Making event last night. An amazing time was had by all. A huge thank you must go to Phil, from gardenstoredirect.com for supplying the wreaths for this wonderful event.

Christmas Markets

A huge thank you to everyone who came along and supported our Christmas Markets this evening. The children and teachers have been working exceptionally hard to create their class crafts this year.

A big thank you to the PTFA who have been sourcing raffle prizes, selling tickets and creating an amazing Santa's Grotto for the children to enjoy. A huge thank you also has to go to all who have donated prizes this year. The list this year was phenomenal!

Thank you to our amazing Father Christmas who came along to tell the children of Carleton Green how fantastic they are.

(Although we did already know this!)

And finally, a big thank you to all the parents, carers, grandparents etc who have supported us this year.

We are truly grateful!
