## Welcome back!

As you can see, we have had a rebranding of the school newsletter. Our heads and deputies, Harry R, Francesca, Harry P and Caitlin, have been instrumental in revamping the design whilst deciding on the new name 'CG Spotlight'. Over the next couple of weeks, they will be taking more responsibility for its development.

## Art Competition -

### Young Seasideers 2024

Miss Lees will be entering Carleton Green in this year's 'Young Seasideers' exhibition run by the Gazette.

Children have the opportunity to submit a piece of work that they are really proud of. It can be based on any topic they choose but must be board mountable. It has to be no larger than A3 and must be submitted to Miss Lees no later than Friday 9<sup>th</sup> February.

# Taekwondo

Amazing success for our Carleton Green Students!

Freddie Falconer has passed his 1st Poom - Junior blackbelt. This is a fantastic achievement for someone of his age and he has worked incredibly hard to achieve this. We are all very proud of him. Freddie regularly competes in national competitions and is taking part in an international tournament in Barcelona in the Spring.

The following students took part in the coloured belt grading and passed with flying colours.

Leonardo - Black Tag

Amelia, Oscar, George, Jenson, Nathan and Aiden - passed to Yellow belt.

Taekwondo club runs every Tuesday morning before school. This is a fantastic way to learn the amazing art of taekwondo in a fun environment, building confidence, improving fitness levels and developing concentration.

There are still a couple of places available. If you would like more information, please get in touch with GM Lee on 07779275207

## Brass Lessons

During Autumn term, all children were given the opportunity to experience brass lessons with Lancashire Music Service. Following the taster sessions, the children had their first lesson today. We can't wait for them to perform at the end of the year.

Eco -Tip - LED's use at least 75% less energy and last 25 times longer, than incandescent lighting. They emit less heat, which directly and indirectly can save you even more energy.

A reminder that if you have any clothes or shoes that are no longer needed, please drop them into the rag bin situated at the end of the school car park.

Also, if you have any uniform that your child has grown out of, please bring it to the school office for us to use on 'Maggie's Rail'.

If you require any uniform over the course of the year, please come and take a look at what's available. The rail is situated in the Wing.

Thank you for your continued support both within and beyond school.
