Football success!

Toby, one of our lovely Year 5 children, played exceptionally well last weekend, scoring 2 amazing goals as seen in the snapshot. I have seen the videos, and even though I am no expert, they were absolutely brilliant. One of them scored with his left foot.

Well done Toby, we are very proud of you.

Netball

Last night our Netball team played against St Johns. The children have been improving week on week, and last night their hard work paid off when they won the match 10 - 5. The children have been practising at playtimes and lunchtimes to improve on their technique and stamina and it really showed.

We are very proud of them all and it just demonstrates that hard work will always pay off.

Outdoor learning

In outdoor learning this week, Year 3/4 have been creating the wildflower garden with the seeds from the King's coronation.

The tadpoles continue to grow in our school gardens.

Thank you for your continued support both within and beyond school.

PTFA

As mentioned on Class Dojo, our PTFA are looking for more volunteers to help support our school. We have a couple of exciting events coming up before the end of term and are looking for any parents/grandparents who are willing to support us in running these events. If you have some spare time and are willing to help, please speak to myself or Mrs Hicks.

Thank you to those who have already contacted me. I will be putting a list of dates and events out next week and what volunteers we need for each so you can see where you would be able to help.

Many thanks for your support.
