Fly. High. Soar

Another fantastic week here at Carleton Green. The Year 6 children have been working extremely hard in their mock SATs this week whilst the Year 5s have been completing their own assessments. Year 3/4 have started work on The Lion, the Witch and the Wardrobe, looking at how stories can be made into playscripts. Year 1/2 have begun planting seeds ready to observe the changes over the next couple of weeks and EYFS have been watching live links to a real farm, where they are getting the opportunity to see how the lambing season unfolds.

Outdoor learning

Mrs Hicks and the children, have again, been very busy developing our outdoor areas. KS1 have been planting wildflower seeds which will provide food and shelter for a huge range of species. LKS2 have been working hard to build the poly tunnel and UKS2 have been creating new flower beds.

Netball

Another fantastic result from our Netball team this week. The team won 10-6 against Chaucer on Monday. The extra practise continues to work wonders for the children as they develop their skills even further.

We are very proud of them all!

What do you call a fake noodle?

An impasta!

The U9 Poulton Town Pumas were in action at the weekend. The match was played at Common Edge and was an extremely entertaining game. Here we have Jaxon, Jack, Daniel, Blake and Ben, from our Year 4 classes, in their team picture.

Well done to the whole team!

Thank you for your continued support both within and beyond school.

A couple of reminders...

Please can I remind you that parents should not be using the staff car park to drop and pick up children. It is important that children are not walking across the car park at any time.

ClassDojo

ClassDojo is a fantastic tool for communication but please note that staff will not be reading or responding to messages outside of school hours. If you require a quick response, please phone the school office who will be more than happy to help.
