Ballet Success

Here is Abigail, one of our Year 5 children, who has been awarded her Level 1 Award, Graded Examination in Dance: Grade 1 - Tap Dance.

Abigail achieved amazing scores across all areas, receiving a Distinction.

A huge well done Abigail!

Football Success!

Theo, one of Year 3 children, has been signed by Blackpool Football Club this weekend. He had a super day at Bloomfield Road for his official signing day.

Amazing Theo, we can't wait to see all you achieve along the way.

Well done!

Football Success

Here we have some of our lovely Year 3 children, Theo, Jasper and Jack, showing off their medals and trophies from the weekend. All 3 were playing in a football tournament on Saturday: Theo playing for the BJFF Spartans and Jasper and Jack for the Fleetwood Town Reds.

Theo's team won the cup and Jasper and Jack's team won the plate.

I am in complete agreement with Jack's Mum, about how lovely it is to see classmates still being the best of friends, even when they are playing against one other.

Well done boys, you are all fantastic footballers and role models!

Thank you for your continued support both within and beyond school.

Classes for the coming year

As the end of year approaches, we are mindful of the changes that are to take place in September. The arrangements for class mixing are based on the professional judgements of Teaching staff with support from the Senior Leadership Team.

The discussion between teaching staff is dedicated to making the best combinations possible. We will always consider what is in the best interests of individual children and classes as a whole when making decisions. We will take into consideration existing friendship groups as well as trying to ensure a good balance of educational, social and personal needs within each class.

The new class structures will be planned after the May half term and as always, we ask that you please let your current child's class teacher know if there is anything we need to be aware of.

Whilst we know that parents may wish to ask for their child to be with a particular teacher, or a special friend, we regret that we cannot consider such requests as, when put together, they invariably clash and contradict one another. Organising class lists is a complex task in order to ensure a balance across year groups and within classes. Considerable time is taken to think about the best possible groupings.

Do you want to be our next Head Boy or Head Girl?

We would like to invite our current year 5's to apply for the position of Head Pupil at our school.

If this is something you would be interested in, we ask that you put this in writing to Mr Boyd and myself by the 14th June. Those that are successful will then be asked to deliver a presentation, explaining why you think you are a good choice to represent our school. This will take place on Thursday 20th June. The awards will then be given out on the last day of term.

To be selected is a huge honour and is reflective of the young person you have become. The accolade goes far beyond the Primary Years and is something acknowledged in job applications in years to come! Our current Heads and Deputies are amazing! Those who apply have big shoes to fill.

Responsibilities involve leading the Star of the Week assemblies, promoting positive behaviour around school, leading by example at all times, speaking in the Nativity for our Ducklings, reading for our Carol service, supporting PTFA events wherever possible.

Remember, letters of application must be submitted by Friday 14th June 2024.

Stars of the week!
