23<sup>rd</sup> July - School Closes for the Summer holidays!

You can tell it's nearly the end of term with all the fun events coming up between now and then!

Wow! What a first week back at school. We have celebrated Science week and Healthy Living Week, completed the Phonics Check and the multiplication Check and succeeded on holding Sports Day on our first attempt. There is so much more coming up over the next few weeks, from the Year 5 trip to Waddecar, a lovely trip for Year 3/4 to Helmshore Mill and an amazing workshop based on the Great Fire of London for Year 1 and 2.

Thank you for your continued support both within and beyond school.

## Sports Day

A massive thank you to everyone for joining us for this years Sports Day. It was a fantastic day that demonstrated how amazing our children really are. I was in awe of the children's resilience throughout the day, as some of those races were really tricky.

Thank you to all the staff for their hard work in ensuring the event ran smoothly and to Miss Clarke for organising the day.

Also, a big thank you to the pupils from Baines who supported the children with the multi-skill section of the day.

A BIG WELL DONE TO DEMETER who were our overall winners!

## Raffle Prizes

We are collecting donations for our Raffle. Big or small, all donations gratefully accepted. Perhaps you know a business that would like to donate a prize? Please drop off any prizes at the school office by Friday 21<sup>st</sup> June.

Thank you for your continued support both within and beyond school.

## Taekwondo Success

Shelley competed in her very first Taekwondo tournament in Barnsley over the half term. She did amazingly well and won the competition. Shelley also got a special message from Jade Jones, who is an Olympic gold medal winner.

Well done Shelley. What a superstar!

Fun fact about Jade: Jade is nicknamed 'The Headhunter' because she prefers to score points from her opponent's head,

## Science Shows

The theme for Science Week this year has been 'Time'. EYFS have explored how their growing seeds, caterpillars and decomposing fruit have changed over time. KS1 and KS2 have been carrying out lots of different practical investigations linked with the theme of time, using their 'working scientifically skills.'

The whole school loved their Adrian Bowden science shows and these reinforced the learning that they have been doing in class over the year. A big thank you to the parents that have given up their time to talk to the children about their STEM careers.

Thank you for your continued support both within and beyond school.

## **BELONG AT BAINES**

At Baines we are working hard to encourage, engage and empower our students.

Whilst our school is over 300 years old and we are proud of our heritage, we have recently introduced new rules and new routines under our new headteacher. But, we've kept the heart of Baines and that friendly, familial feeling that builds strong, confident young people with a varied set of good qualifications who each find their place within our community.

We are proud of our school and we would love you to come and see what we do, during the school day, to see if you can see yourself belonging at Baines too.

### **TOUR DATES AND HOW TO BOOK:**

Tours will run 9 to 10 am on Tuesday 9th, Wednesday 10th, Thursday 11th and Monday 15th July. You will have opportunity to meet the year 7 team, see the school during lesson time, and ask any questions. Your place must be booked in advance by using this link <https://www.ticketsource.co.uk/baines-school/e-eqbdkm> or scanning the QR code.

Should these dates not work for you please make contact with Mrs Streetly ([kst@baines.lancs.sch.uk](mailto:kst@baines.lancs.sch.uk)) and we can try to accommodate you at a more suitable time.
