Another fab week here at Carleton Green. Little Chicks and Ducklings went along to The Plant Place for their school trip on Monday. The children were a real credit to the school. They had a fabulous time looking around and even got the opportunity to plant their own seeds. Thank you to all the parents who helped us on this trip. Tuesday saw the Year 3/4 children visit Helmshore Mill in Rossendale. The children had an amazing time seeing the history of textile brought to life with the waterwheel, carding engines and spinning mules. I know a number of the staff have mentioned visiting again, as there was so much to see. Year 5/6 have begun work on their end of Year production. By the music coming through the office wall, this is going to be another amazing production. I can't wait to see it!

Thank you for your continued support both within and beyond school.

Outdoor Learning

To tie in with their trip to the Plant Place, EYFS have been looking around our school garden at the various plants and insects that inhabit them. The children have loved looking at the different colours, smells and minibeasts.

Football Success

Leonardo competed in the TCFC Summer Tournament with his team U9 BJFF-Blades and were the shield winners. Leonardo had to play 12 games over the course of the day and scored a hopping 6 goals.

The final match resulted in penalties and his team went on to win these 10-9.

Well done Leonardo, we are all very proud of you!
