Welcome back!

It has been so wonderful to welcome all of our children back into school this week. They have come back with such a positive attitude and appear really happy to be back in school – seeing their friends again and settling back into school routines.

Can we take this opportunity to extend a very warm welcome to our new Nursery and Reception children and their families. We appreciate how hard it has been for all of you starting school but you have all been amazing. Your children have made a fantastic start to Carleton Green – they have come in smiling and positive and been a real credit to you. Thank you for the part that you have played in preparing them to start school. We look forward to working with you all and getting to know you better. We hope that all of our new children and parents will be very happy here at Carleton Green.

Wet playtimes and lunchtimes.

As we all know, the British weather can never be relied upon to match the seasons. As much as we try to get the children out in all weathers, there are times when this is not possible. To make these playtimes more fun, we are asking for donations of any board games, playing cards, colouring items that can be stored in the classrooms to be used during wet play. If you have any of these items, please could you send them in with your child/children.

Many thanks

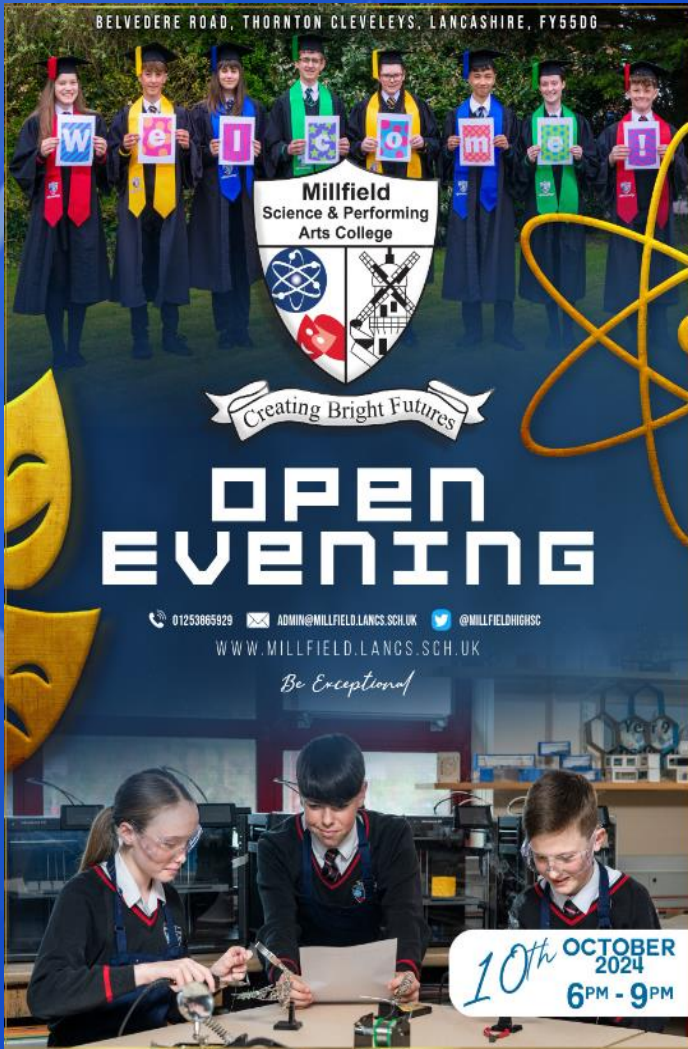

Thank you for your continued support both within and beyond school.

St Aidan's

Our Open Evening for 2025 applications will be held on Thursday, 12th September between 6.00 and 8.30 pm. On the evening the school will be open for guided or independent tours. Students and staff will be on hand to show the work that they do and answer questions about all aspects of school life. The Headteacher, Mr Smith, will also give two talks about what Saint Aidan's can offer at 6.15 and 7.00 pm. Everyone is welcome to come and learn about the school on that evening.

In addition, we will be running daytime tours of the school all the way up to the October half-term break. This gives parents and their children the opportunity to see the school 'in action' during a normal working day. These tours can be booked by calling 01253 810504 or emailing christine-murphy@st-aidans.lancs.sch.uk. Please do liaise with your child's primary school before booking one of these tours to avoid disruption to learning.

A message from the PTFA

Asda has today announced that it is making millions of pounds available to UK primary schools by encouraging families to use its loyalty programme - Asda Rewards.

In a game changing new campaign, fronted by Joe Wicks, the supermarket is offering to donate 0.5% of the value of any shop done at Asda until 30th November 2024 to customers' primary school of choice - when they shop using Asda Rewards.

The supermarket is kicking off each school fund with £50 and offering to top up with an extra £1 for every customer that selects their school. The retailer is projecting to donate around £7.5m through the campaign.

Harvest

This year, as in previous years, we are going to be supporting Street Life. Last year Street Life supplied over 500 emergency food parcels to local young people living in poverty. The cost-of-living crisis continues to have a significant impact on young people with Centrepoin's food insecurity report finding that 26% of vulnerable young people have less than £20 each month (after rent and bills), leaving them £5 or less a week to live off.

Street Life try to bridge this gap by providing emergency food parcels, often to young people living in temporary accommodation. Due to this, they may have limited access to cooking facilities; primarily only a kettle and sometimes a microwave oven to use.

Thank you for your continued support both within and beyond school.
