This week...

A fantastic week here at Carleton Green! The children have been working so hard throughout the school. I have had the pleasure of working within the Little Chicks classroom this week, and I have been amazed by how well they have settled in. They have been creating some amazing artwork, based on their own faces and had lots of fun. Ducklings have again demonstrated how well they have settled in to their new environment and the learning taking place has really impressed me. Year 1/2 have been busy developing their independence in class, consolidating their learning and really impressing the teachers. A couple of the classes were able to take part in a mini yoga session this week to help calm their minds and develop their core strength. The other classes will get the opportunity to participate next week.

Year 3/4 have been busy studying rocks using their scientific observational skills. They have been using the magnifying glasses to look closely at the rocks and then having a go at drawing and describing the properties of the different rocks.

And finally, Year 5/6 have been having great fun building 'mini' rafts based on the English novel they are studying. Using 'branches' and 'vines', the children thought about the difficulties the children faced having to build their own rafts from scratch.

Thank you for your continued support both within and beyond school.

School Success!

For the 3rd year running, Carleton Green have been awarded the Eco School Status with distinction.

This is due to the hard work and dedication of Mrs Hicks and our wonderful children. From planting seeds, to growing our own fruits and vegetables; making bird feeders and bug hotels to looking at different ways we can help the environment.

Our Eco-Council are always looking at different ways we can promote positive action. Each year we take part in 'JUST ONE Tree Day'. This helps to create a springboard for environmental education, reduces climate anxiety through positive action and helps compensate for our school's environmental impact.

This year we will be celebrating 'JUST ONE tree day' on
Friday 18th October 2024

Year 6

The time has come for you to begin thinking about High School. Over the next couple of weeks, the local high schools, will be holding their Open Evenings, to show you how fantastic their schools are. Please check the websites for more dates, and I will add them to dojo as we are given them.

Applications must be in by Thursday 31st October 2024.

Montgomery - 19th September - 4.30pm - 7.30pm

Hodgson - 26th September

Baines - 24th September - 4pm - 7.30pm

St Aidan's - Saturday 12th October

Millfield - 10th October - 6pm - 9pm

Thank you for your continued support both within and beyond school.

Harvest

This year, as in previous years, we are going to be supporting Street Life. Last year Street Life supplied over 500 emergency food parcels to local young people living in poverty. The cost-of-living crisis continues to have a significant impact on young people with Centrepoint's food insecurity report finding that 26% of vulnerable young people have less than £20 each month (after rent and bills), leaving them £5 or less a week to live off.

Street Life try to bridge this gap by providing emergency food parcels, often to young people living in temporary accommodation. Due to this, they may have limited access to cooking facilities; primarily only a kettle and sometimes a microwave oven to use.

Class Dojo

Contacting school - If you wish to contact your child's teacher, please use Class Dojo. Staff will endeavor to check messages from 8am until the children arrive and at the end of the day until 4pm.

Please note messages are not checked during teaching hours.

Staff aim to respond to your message within 48 hours.

If you need to notify us of an absence, need to change collection arrangements or your query is urgent, please contact the school

Interested

Study Smart are working to promote fully funded CACHE courses with certification, available in levels 1, 2 & 3, for school support roles that are funded by the ESFA (Education Skills Funding Agency).

Funding has been made available in your school's area for our next course for this academic year, which starts on 30th September.

These courses are designed to make it easy for parents/carers who are looking to gain the necessary qualifications for a school support role, as the classes are run online, within school hours and during term times. Allowing parents to fit the classes in with school drop offs and collections.
