This week...

At Carleton Green we have again had a busy week.

The children have been celebrating European Language day that took place on Thursday. Children have been looking at different languages from around the world. From Portuguese to Polish; Bulgarian and Swedish, the children have learnt how to greet each other, how to count to 10 and beyond and in Kestrels Class they even learnt 'Imse Vimse Spindel'. (Can you guess the nursery rhyme?)

Little Chicks have been working on their problem-solving skills and mark making skills. Ducklings haven't been put off by the miserable weather. They had a great time splashing in the puddles. KS1 have been busy writing the story of the Bear and the Piano.

Thank you for your continued support both within and beyond school.

Breakfast Club

We appreciate how important breakfast and after school club are to parents and carers and we believe that we provide an excellent environment to support children in starting and ending the school day positively. Currently we ask that you book the sessions the week before so that we can ensure we have the correct staffing to keep children safe during these times.

That said, we are finding an increasing number of children are being dropped off without having been booked on. Staff have been very lenient in allowing this to happen, but unfortunately, to ensure that we have the correct staffing for the children, this will no longer be the case. If your child is not booked on, then we will be turning you away. This is not something that we want to do, so I ask that you please do not put staff in this difficult position.

If you have any issues with Parent Pay, please contact the office so that we can get this rectified.

Year 6

The time has come for you to begin thinking about High School. Over the next couple of weeks, the local high schools, will be holding their Open Evenings, to show you how fantastic their schools are. Please check the websites for more dates, and I will add them to dojo as we are given them.

Applications must be in by Thursday 31st October 2024.

St Aidan's - Saturday 12th October
Millfield - 10th October - 6pm - 9pm

Thank you for your continued support both within and beyond school.

National Poetry Day

Laura Mucha, author and poet, is going to attempt a Guinness World Records title for giving the largest poetry lesson.

Carleton Green will be one of the 1,200 schools participating in this amazing event, alongside over 200,000 children.

Let's hope we make our way into the Guinness World Records!

School Starters 2025

Do you have a child who is due to start school in September 2025?

We will be holding tours of our wonderful school every Wednesday and Friday morning, starting on Wednesday 30th October. The tours will begin at 9.15 and will give you the opportunity to see the school in action.

If you are interested, please ring the school office to book your place on 01253 891228

BBC 500 words

500 words is finally open for entries! It's time to get writing! Submit your stories before 9pm on Friday 8th November 2024.

There are two age categories: 5-7 and 8-11 year olds. All children need to do is write a story they would love to read in 500 words or less.

SPAG is not marked, it is all about creativity!

50 finalists will be invited to a glamorous grand final at BUCKINGHAM PALACE in February where their stories will be read out by celebrities. There are also lots of prizes to be won!

Celebration

Just a reminder that if your child attends a club out of school and they want to share their success with us all, to please send photos and a short message to me on either dojo or email. I always love to hear about how well they are doing outside of school.

Thank you for your continued support both within and beyond school.
