6th December - Christmas Markets

18th December - Rocksteady Concert (Parents to be invited closer to the time)

18th December - Rossall Candlelit Service

20th December - School Closes

This week...

At Carleton Green we have had another busy week.

Yellow and Brown Ducklings have been busy working on their senses this week. They have made their own sets of binoculars, out of junk material, and then been off exploring the school grounds looking for what they can see with their eyes.

Parrots Class have been thinking about the past and discussing what it was like during the Victorian times. I wonder what they have found out.

Kestrels Class have been carrying out a scientific investigation on the permeability of rocks. They have also tested the buoyancy of the rocks and found out some interesting information. Hawks Class have continued their work on developing their own Haka in PE. It always brings a smile to my face when I walk past the hall listening to all their chants and shouts. They have also been building rafts and testing them out.

I wonder how many of them would survive if they were stranded in the rainforest?

Thank you for your continued support both within and beyond school.
 Susan McGrath | Headteacher | head@carletongreen.lancs.sch.uk
 Stacey Clark | Deputy Headteacher | s.clark@carletongreen.lancs.sch.uk

Taekwondo

First grading Success!

We are proud to share with you that Beatrice passed her first belt!

This is a fantastic achievement, and we are very proud of her.

All of us at Carleton Green are very proud too!

We have a couple of places available at our before school taekwondo club. This takes place on a Tuesday morning in school.

For more information please get in touch with Master Lee on 07779275207 .

Thank you for your continued support both within and beyond school.

Dance Success

One of our lovely Year 1 children, Felicity, competed in the UKDCC dance competition on Sunday where she won second place in modern and second place in commercial. Not only did she achieve this, but she also got through to the semi-finals in both tap and ballet.

Here she is celebrating with her two trophies.

Well done Felicity, we are so proud of you!

School Starters 2025

Do you have a child who is due to start school in September 2025?

We will be holding tours of our wonderful school every Wednesday and Friday morning, starting on Wednesday 30th October. The tours will begin at 9.15 and will give you the opportunity to see the school in action.

If you are interested, please ring the school office to book your place on 01253 891228

Harvest

Just a reminder that this year we will be supporting Street Life with our Harvest collection.

Street Life work tirelessly to support local people. They try to bridge this gap by providing emergency food parcels, often to young people living in temporary accommodation. Due to this, they may have limited access to cooking facilities; primarily only a kettle and sometimes a microwave oven to use.

Please see the list of items they desperately need to support young people.

We will be holding our Harvest Assembly on Tuesday 15th October.

Please can you bring any items into school on this date.

Thank you for your continued support both within and beyond school.
