18th December - Rossall Candlelit Service

20th December - School Closes

This week...

At Carleton Green we have had another busy week.

From investigations into how soil is formed to children making their own paint from charcoal and lard, just like they did during the Stone Age.

Year 5/6 have visited the Arctic in preparation for their next English unit and

Ducklings have been visited by a famous author. One of our very lovely parents has written a book called, 'Granny Gets Golf' and came in to share it with the children.

Take a look, it is brilliant.

Thank you for your continued support both within and beyond school.

Stars of the Week

The whole of Hawks Class, who prepared an amazing assembly demonstrating all of their learning so far this year. They did an amazing job of sharing their work with the rest of the school and the parents and carers who came along to celebrate their learning.

Well done Hawks Class!

Running Success

George, one of our lovely Year 2 children, has been working hard lately. On Sunday he earned his half marathon wristband at Junior Parkrun. Each week he has been going along and running the full 2km with a great big smile on his face.

Well done George, we are very proud of you!

Junior Park run is a fantastic way to encourage children to get outside and into the fresh air. This event takes place weekly at Anchorsholme Park from 9am.

Gymnastic Success

Last weekend, Ruby, one of our lovely Year 3 children, competed in the IGA North Region National Qualifiers. There were that many competitors that it actually had to take place over two rounds. Ruby was amazing and walked away with a BRONZE medal for her floor routine.

Absolutely amazing Ruby!

We are so proud of you!

Thank you for your continued support both within and beyond school.

Les Misérables

Two of our wonderful Year 6 children, Evie and Amelia, are tripping the lights fantastic as they perform in this upcoming show. Tickets are still available if you would like to go along and show your support.

We wish you the best of luck girls!

Harvest

Just a reminder that this year we will be supporting Street Life with our Harvest collection. Our assembly takes place on Tuesday and a representative from the charity will be coming along to collect the donations. A huge thank you to everyone who has donated so far.

Netball Success

Our Netball team has a great start to this year's competition with a 19-4 win over Breck on Thursday evening. Mrs Shepherd and Miss Noctor are incredibly proud of all the players and are looking forward to a great year of netball.

I heard the umpire did an amazing job!

Well done Carleton Green!

Thank you for your continued support both within and beyond school.
