This week...

At Carleton Green we have had another busy week.

A great first week back for Autumn 2. The children have come back ready and eager to learn and it has been lovely hearing about what they have been up to over the half term holidays.

Children in KS2 started the new term with a well-being day in preparation for the term ahead. They learnt about different parts of the brain and how to keep it healthy. They discovered how it's good to learn and focus on new skills and then finished the session with some yoga.

Our lovely little Duckling have been enjoying their Halloween themed activities. They have been hammering golf tees into the pumpkins with care and precision and then using their pincer grips to take them out. All helping to strengthen their hand and finger muscles in preparation for writing. They have also had fun drawing their own Funnybone skeleton characters.

Thank you for your continued support both within and beyond school.

Christmas Jumper Day

Christmas Jumper Day will take place on Friday 13th December.

It's a day when people around the UK wear their Christmas jumpers to help children in the UK and around the world.

Here are some ways to participate in Christmas Jumper Day:

- **Wear a jumper:** Put on your favourite Christmas jumper, or upcycle an old one with tinsel and baubles.
 - **Donate:** Donate to Save the Children or another charity.
- **Share on social media:** Take photos of your jumper and share them on social media with the official hashtag #ChristmasJumperDay.

Halloween Visitor

Yesterday, the children were treated to a visit from John, the Bug Man, AKA Jungle John who came along with his Creepy Crawly Roadshow. Here are some very brave children holding a baby python.

Thank you for your continued support both within and beyond school.
