Another wonderful week at Carleton Green. The children have been as amazing as always. Whenever I walk around the school or visit classrooms, the children are always on task, always smiling and always desperate to show me what they have been up to. They are an absolute credit to the school!

This weeks focus - Ducklings

This week in Maths, the children are counting, ordering and composing numbers to 5, with a little help from their friends the Numberblocks. They have talked about the 'staircase' pattern that is made when they are in order. The numbers are 1 more each time. They have used this pattern to help them spot when a number is missing or in the wrong order.

Thank you for your continued support both within and beyond school.

Street Dance Success

Above we have Faye, Matthew and Joshua who are members of The Monarchy Dance Squad. Last week they took part in the Street Dance IDTA exams.

All 3 participated in a trio dance and were awarded a high commendation for their Street Dance Scarlet exam.

Faye and Joshua then took their IDTA solo dance Street Dance Bronze exam and both achieved honours.

Well done to all 3 of you. You are absolute superstars!

World Book Day 2025

Over the next couple of weeks I will be setting fun challenges in preparation for World Book Day 2025.

This week, I would like you to take a picture of yourself reading in an unusual place. It could be you by yourself, you with your brothers and sisters, you with the whole family or even you and your pet ferret. The more unusual, the better.

The winning picture will feature in the Newsletter and on the school website!

Please send your pictures to me on dojo!
