4<sup>th</sup> April - School Closes

With only 2 weeks to go till the Easter holidays, the children have been working extremely hard during assessment week. The children have been showing off their knowledge and understanding in reading, writing and maths, and they couldn't have made us any prouder!

This week Little Chicks and EYFS have been 'Wild Things' in the woodland areas near to school. The children loved rolling down the hills, climbing trees, making music, trying to spot creatures in beds and burrows and exploring nature in the sunshine.

Year 1/2 have been busy working with Mrs Hicks in outdoor learning. She loves involving them in creating our wonderful areas around school. This week they have been busy planting wildflower seeds. Keep your eyes out for the first signs of Spring, here at Carleton Green!

Thank you for your continued support both within and beyond school.

## Stars of the Week

A huge well done to Parrots Class for their amazing assembly today. The children were so confident in showcasing all the amazing learning they have been doing this half term. It was fantastic to see how proud they all were of their work and the songs they performed were a particular highlight.

Well done Parrots Class!

### Dance Show

Last weekend, 4 of our lovely girls from Years 4 and 6, took part in 'Sunday Night at the Grand' with their dance school, Studio 15. Florence, Luciana, Abigail and Mia shone on the stage, oozing confidence and simply shining throughout their performances. I know their families are super proud of them all, as are we at Carleton Green.

Well done girls!!

Thank you for your continued support both within and beyond school.

# World Book Day 2025

It may be over but that doesn't mean we have to stop reading. Here we have some of our lovely children reading in unusual places and to their 'unusual' friends. Here we have Arlo reading whilst waiting for school to open and Hugh has been reading to his 'babies'. He reads to them every weekend to help them grow.

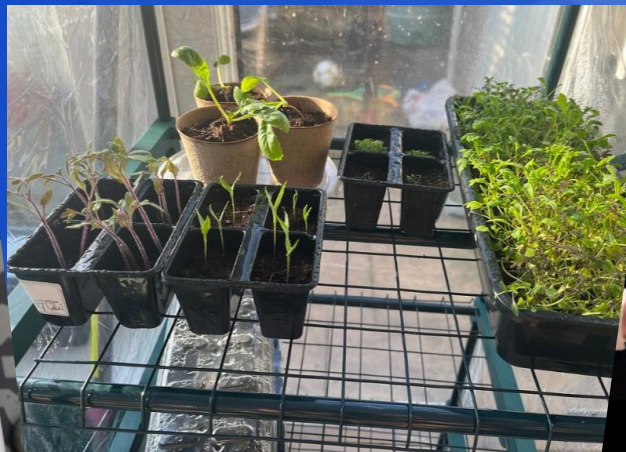

## Eco-Friendly

As you will have noticed in the picture above, Hugh has been busy growing his own seeds. Here we have pumpkins and sweet peas. Hugh is preparing to plant them outside, once the frost disappears.

Henry has also been busy growing his own seeds. He is growing radish, mint, kale, chillies and tomatoes. Well done boys, I know Mrs Hicks will be very impressed.

A message from Mrs Hicks - Our children, in outdoor learning, have been busy preparing the area at the front of school ready for our Wildflowers. Please could we ask that you keep children off the grass and ensure they stick to the path, so that our seeds/plants can begin to grow. Thank you!

Thank you for your continued support both within and beyond school.

## Young Seaside Exhibition 2025

Last week, Miss Lees announced the winners of the Young Seaside Exhibition. Well done to Daniel and Rupert for their amazing artwork.

A huge well done also goes to Lyla, who was entered into the competition for her amazing bumblebee above. Lyla enjoyed going along to see her work on display at the exhibition, and I think you will agree, it is fantastic! Well done Lyla!

Thank you for your continued support both within and beyond school.
