11<sup>th</sup> July – Summer Fair – 3.30 – 5pm

22<sup>nd</sup> July – Leavers BBQ

23<sup>rd</sup> July – School Closes for Summer!

Wow, the end of another term! It sure flies when you're having fun. The children have been working extremely hard this term, making us proud in so many ways.

As the summer term approaches there is a lot to look forward to. We have a summer disco, a family quiz night and our annual summer fair. We also start preparing for transition and getting children ready for the next phase of their school journey. Year 6 get to enjoy their production and leavers BBQ.

I want to take this time to thank you for your continued support and I hope you all have a wonderful Easter break. Fingers crossed the sunshine stays!

Thank you for your continued support both within and beyond school.

## Stars of the Week

Every child and every member of staff at Carleton Green deserves the star of the week certificate this week. They all work so hard in everything they do and I couldn't be more proud of each and everyone of them. Keep up the amazing work CG!

## ROCK BOTTOM SUCCESS

Talking of 'STARS', the Year 3/4 production of 'Rock Bottom' took place this week and I have to say it was absolutely fantastic. (Like something off the West End!)

Well done to all the children, from learning their lines, to completing the amazing choreography and all those wonderful songs, the children were AMAZING from start to finish.

A huge thank you to all the staff who help put on these productions. It takes a lot of work and we are very grateful.

Thank you for your continued support both within and beyond school.

### A few gentle reminders:

**Equipment:** The equipment in both the KS1 and KS2 playgrounds should not be played on before or after school. The KS1 equipment is designed for children up to 7 years of age only. Please can we ask that you don't allow your children to play on them during these times.

**Clubs:** Members of staff have noticed that some children coming along to clubs, aren't really interested in attending them. This is taking the place of someone who would really enjoy participating in that particular club. Could we please ask that you ensure your child is really interested in the club before you sign them up for the summer term.

### Reading Volunteers

Could you or a family member spare some time to become a regular reading volunteer at Carleton Green?

We are looking for volunteers who are able to commit to regular slots to read with children across school. As a volunteer, you will play a key role in supporting children in becoming confident, independent readers. The role will involve listening to children read and discussing the book with them.

If you would like to become a reading volunteer, please express your interest to Mrs Clark or Mr Thorpe.

## Reading fun!

I love that even though World Book Day is over, I am still receiving pictures of children reading in unusual places.

Here we have Isabella reading in a very unusual place. I'm not sure I'd be quite so relaxed reading on the back of a horse.

Even more lovely to see is our children from Carleton Green bringing the love of reading to other.

Here we have Hannah, one of our lovely Year 3 children, reading to her cousin Ralph whilst babysitting. She read Zog beautifully to him.

Hannah also enjoys reading with her best friend Beatrix. They often read their schoolbooks together and enjoy telling each other about the stories.

Keep up the good work girls!

Thank you for your continued support both within and beyond school.

### Competition Time

As many of you will know, Robins Class have been participating in the Fishkeeper Fry Programme. Over the past 12 weeks the children have set up their own tank, tested the water, added plants and learnt how to clean the tank. Gradually, we have added a range of different fish.

We started with 5 shrimp, then added 4 platies, 1 onion snail and 1 zebra snail, 2 speckled corydoras, 6 tetras and finally, 3 dwarf-sucking catfish. We have also multiplied over the past couple of weeks with 6 baby platies and, on my last count, 2 baby shrimp (At this rate we may need a bigger tank!)

But... We have no names.

This is your opportunity to name some of our new family.

As the shrimps, the tetras, the corydoras and the catfish look identical, I am looking for group names for them.

But we need individual names for the 4 platies and the 2 snails.

Please see the pictures below and let me know your name suggestions over the holidays. Produce a picture of your chosen fish/snail with their name above it in big bright letters. After the Easter holidays, we will pick the best names and the pictures will be displayed above the tank!

GOOD LUCK!

Thank you for your continued support both within and beyond school.
