**Yes! We actually managed to complete Sport's Day on the first attempt.**

The children did absolutely amazing! All the staff commented on how proud they were watching the children competing, cheering each other on and the resilience they showed when things didn't quite go how they wanted.

Just last night we welcomed the new parents of the children who will be joining us in September and our heads and deputies talked about what Carleton Green meant to them. Teamwork and resilience were two of the key words they used, and my goodness, we demonstrated that today!

Well done to everyone! A huge thank you to Miss Clarke for organising the event and all the staff and volunteers for supporting us.

Thank you for your continued support both within and beyond school.

## Stars of the Week

This week, the stars of the week are...

*The whole school!*

As mentioned above, your hardwork at sports day was phenomenal.

As a treat you can have the next 2 weeks off school.

### Rugby success!

Here we have Otis, one of our lovely Year 2 boys, who was awarded "man of the match" for a phenomenal performance in the first half of his rugby match (the coaches' exact words).

We also have Jasper, Otis' big brother who secured "Players Player", along with Otis at their rugby presentation.

Theo also received his participation trophy and all three of them enjoyed a celebration party afterwards.

Well done boys!

### Football Success

Here we have Harrison, one of our wonderful Year 3 children, who played in the Charnock Richards Football Festival, last weekend. Harrison and his team, the BJFF Phantoms, got through to the Championship finals, narrowly missing out on the win.

Harrison scored an amazing penalty helping his team to reach the finals. Even though his team didn't win, Harrison said it was the best day of his life. I can vouch for how well Harrison played, as I was there watching with my youngest also playing in the festival.

Well done Harrison, we are all very proud of you!

Thank you for your continued support both within and beyond school.

## A message for our Year 5 children.

Are you thinking about applying to be Head Boy or Head Girl next year? That's fantastic! It's a really exciting opportunity and a chance to make a big difference in our school.

Being Head Boy or Head Girl means you'll be a leader, a role model, and a voice for all the children. You'll get to help teachers, support your classmates, and come up with new ideas to make our school even better. It's a big responsibility, but it's also incredibly rewarding.

If you're thinking of applying, here are a few things to consider:

- Do you love helping others? A big part of the job is being supportive and kind to everyone.
- Are you good at listening? You'll need to listen to your friends' ideas and concerns.
- Do you try your best in everything you do? Being a good role model means showing up and giving your all.
- Are you ready to be a voice for our school? You'll get to share ideas and represent us.

Don't worry if you're a bit nervous – that's totally normal! Just remember to be yourself, show how much you care about our school, and let your amazing qualities shine through.

Letters to be submitted to Mrs Clark by Friday 20<sup>th</sup> June.

Good luck to everyone who applies! We can't wait to see who our next Head Boy and Head Girl will be.

### Famous Faces

Look who George, one of our wonderful Year 2 children, got to meet last week.

Not jealous at all George!

### Dance Success

Here is Nellie, one of our wonderful Year 1 children, who competed in the Elite Dance Championships last weekend. Nellie's group did Baghdad Bazaar, highest scoring modern and 1<sup>st</sup> place overall in the Tots section. Her team also won Dance School of the weekend!

Well done Nellie, you are amazing!

Thank you for your continued support both within and beyond school.
