18th July - Summer Fair - 3.30 - 5pm

22nd July - Leavers BBQ

23rd July - School Closes for Summer!

A super start to our final half term!

The children have been extremely busy this week. As part of our 'Science Week', the children participated in a range of workshops with the wonderful Adrian Bowden. They were enthralled and excited to watch and participate in a range of experiments. The children then took their learning back into the classroom.

Children in Year 1 have been participating in their phonics screening. Their teachers have been singing their praises around school about how hard they have been working and their wonderful results.

Year 4 have participated in the multiplication check. Again, the teachers have been shouting from the rooftops about how well they have done.

And Year 5, have been on their residential to Waddecar. They have been true ambassadors of Carleton Green and shown everyone how resilient they can be. (More details below.)

Thank you for your continued support both within and beyond school.

Stars of the Week

This week, the stars of the week are...

Owls Class

Owls Class invited their parents and carers into school today to share in their learning over the last half term. I was blown away by their confidence on the microphone and amazed by the work they have been completing in class.

A super well done Owls!

Sibling Football success!

Here we have Toby (Year 6) and Elizabeth (Year 5) who have had an amazing year in football. Both attended their football presentations at the weekend receiving awards for their contributions this season.

Toby plays for TCFC u11s Tigers and his team has had a great season, making it to the cup final for the Hogan Cup.

Elizabeth plays for Blackpool Rangers Volcanoes and has won the award for club player of the season.

Well done to you both, we know your family are very proud of you, as are we!

On Tuesday, some of our Year 3, 4 and 5 and 6 children went along to Stanley Park to compete in the Quad Kids competition. The children were amazing, showing great teamwork and resilience.

Year 3/4 not only won their age group, but Year 5/6 were also triumphant. Both teams will now go on to represent Lancashire in the final.

Doves Flying High!

Here we have 3 members of Doves class, Tomas, Jude and Jacob who all play for the Clifton Stingers. Over half term, they competed in the Jordan Banks tournament, where they were crowned plate champions. 6 days later they participated in the Spirit of Youth tournament and won again.

Amazing work boys! We are all so proud of you!

Reminder

Are you thinking about applying to be Head Boy or Head Girl next year? That's fantastic! It's a really exciting opportunity and a chance to make a big difference in our school.

Being Head Boy or Head Girl means you'll be a leader, a role model, and a voice for all the children. You'll get to help teachers, support your classmates, and come up with new ideas to make our school even better. It's a big responsibility, but it's also incredibly rewarding.

If you're thinking of applying, here are a few things to consider:

- Do you love helping others? A big part of the job is being supportive and kind to everyone.
- Are you good at listening? You'll need to listen to your friends' ideas and concerns.
- Do you try your best in everything you do? Being a good role model means showing up and giving your all.
- Are you ready to be a voice for our school? You'll get to share ideas and represent us.

Don't worry if you're a bit nervous – that's totally normal! Just remember to be yourself, show how much you care about our school, and let your amazing qualities shine through.

Letters to be submitted to Mrs Clark by Friday 20th June.

Thank you for your continued support both within and beyond school.
