Autumn 2 - First week back!

It was so lovely to see everyone walking back through the gates on Monday morning. I heard all about their holidays and some of the wonderful Halloween costumes that they chose to wear this year.

We have started our EYFS tours this week. This is for the children starting school in September 2026 (I know, already!) and I just have to share with you the lovely comments they made during their walk round. Each couple commented on the lovely feel they got walking around the school, the big smiles they received from the children, how well behaved each class they visited were and how polite the children they met and spoke to along the way. Myself and Miss Clarkson could not have felt any prouder that we did at the end of the tour. I know I am a little biased, but we really do have the very best children and staff, here at Carleton Green!

LAMDA Success

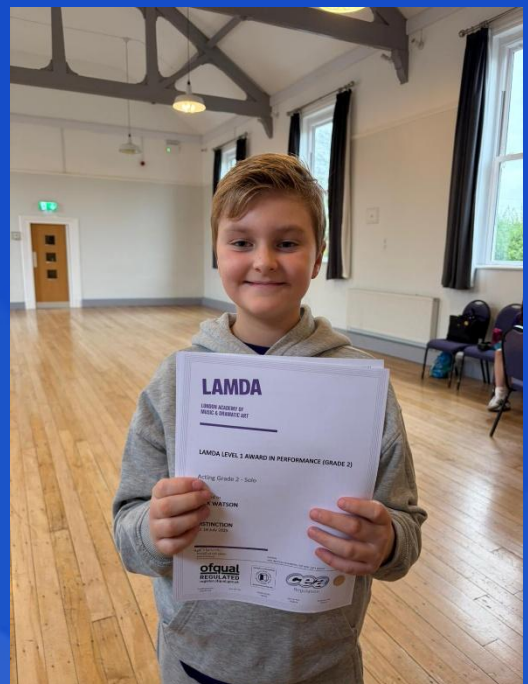

Here we have Jack, one of our very talented Year 5 boys.

Many of you will have seen Jack competing in our Carleton Green's got Talent competition, where he does extremely well.

Well, over the holidays Jack took his first LAMDA exam - Grade 2 - Solo acting, and received a distinction.

Jack has been working so hard on his acting and his performing and I know his parents are extremely pleased with how well he is doing and how much his confidence is improving.

Well done Jack! We too are very proud of you and we look forward to seeing you on the stage in the future.

Thank you for your continued support both within and beyond school.

Football Success

Here we have Jessica, one of our lovely Year 5 girls, who won Parents Player of the match last weekend for her BJFF U10's team..

Jessica has been working really hard with her training and it has certainly paid off.

Well done Jessica, we are all very proud of you!
