 The application process to elect our new Head Students has begun!
 Students in Year 12 have written manifestos to explain how they would help shape the future of Carmel College in the areas of spiritual depth, academic strength, mental health & wellbeing, events & fundraising, sport and inclusion & diversity. The manifestos demonstrate the students' ambition and confidence to help their fellow student body make the most of their time in Carmel.
 All Year 12 students and all staff will vote for their two favourite candidates for Head Student, with the leading candidates being invited for interview later in the term.
 The elected Head Students, and their extended leadership team, will engage with students and staff for the next year to guide the college spiritually, academically and in a wider holistic manner.
