Year 11 Revision - Students have started their lunch time and after school revision this week. The students have been really positive about the sessions and the support they are receiving in the countdown to their first written exam on May 13th. **Please can you ensure you have downloaded the MCAS App** as a lot of information relating to exams and the '5' A Day revision questions to support your child in their learning in English, science, geography, history and RE are being sent using this method. Many thanks for your continued support.
