Upcoming Assessments for Years 7-11

Assessments for students in Years 7-11 will be taking place now through to the end of this half term. You can support your child during this period by helping them with their revision. Here are a few tips to assist them:

- Encourage them to create a revision timetable to manage their time effectively.
- Ensure they take regular breaks to stay focused and avoid burnout.
- Provide a quiet and comfortable space for them to study.
- Test them on key concepts to help with memory retention.

For more information on how to help your child prepare for these assessments click [here](#). Thank you for your continued support as we work together to help our students succeed!

Our Enrichment timetable is now in place. View it [here](#).

The past two weeks at Carmel have been full of joy and community spirit. We were thrilled to hold our first-ever Year 7 Ethos Days and Welcome Mass at St. Augustine's, where our sixth formers took on leadership roles, guiding and facilitating the retreat. It was wonderful to see our Year 7 students enjoying themselves, building friendships, and strengthening their sense of community. Last week, we were also delighted to welcome Ofsted to Carmel for the first time since 2013, and we look forward to sharing their report when it is published later this month or at the start of November. To cap off a fantastic week, staff and students made the most of the last of the summer sun on Funhouse Friday with karaoke and ice lollies for everyone. It's been a busy, but truly rewarding, time at Carmel!

Carmel Teacher Training

Applications are now open for our primary and secondary teacher training courses starting in September 2025. All applications must be submitted through the government portal via GOV.UK. We cannot accept direct applications. You can apply for CTPP Primary or Secondary places through the portal, and while CTPP and Carmel College are listed as separate options, your application can be submitted to either (or both). This also applies to specific subjects at the secondary level. Don't miss your opportunity to start your teaching journey with us!
