Scholarships

Our Scholarship Programme recognises and rewards students with passion, ambition and dedication in a particular area, and to provide rich and challenging opportunities within a thriving community of like-minded people.

Academic, Art, Drama, Music and Sport Scholarships are available for Year 12 entrants. In addition, Art scholarships are available for Sixth Form. These are awarded on the basis of school-based assessments and the track record of the individual, and are assessed with transparency, honesty and consistency.

We expect an ongoing dedication to personal development and participation in the chosen field throughout the award-holder's time at AKS.

Students may apply for scholarships when transitioning into Year 7 and Year 12; at other points of entry, scholarships may be available at the discretion of the Headmaster.

Scholarships represent a reduction (up to the value of 20%) in annual fees, and are not dependent upon family income; nor are they negotiable. The number of scholarships is not fixed: we consider each candidate individually on their merits.

SPORT

Sports Scholarships

Our Sports Scholarship is open to any child who proves to be committed to sport and who can display an outstanding level of physical ability in one or more activities.

A successful Sports Scholar will be a sportsperson in the fullest sense, displaying a high level of practical skill and athletic prowess as well as having the necessary attitude and inclination to pursue the spots offered at AKS and to represent the school at the highest level.

Performing Arts Scholarships

A successful Drama Scholar is expected to play a leading role in the school's drama provision and continue to advance their skills further in the vast array of activities on offer throughout their time at AKS.

Music Scholars are expected to maintain the current high standard of school music by playing a leading role within the school's choral and instrumental activities, including compulsory membership of the Senior School choir.

Whilst students need not necessarily wish to pursue a professional career in the performing arts, it is expected that they will perform in all school music concerts throughout their time at AKS.

Pursue your passion

Art Scholarships

It is normally a condition of the scholarship that successful candidates study A-level Art.

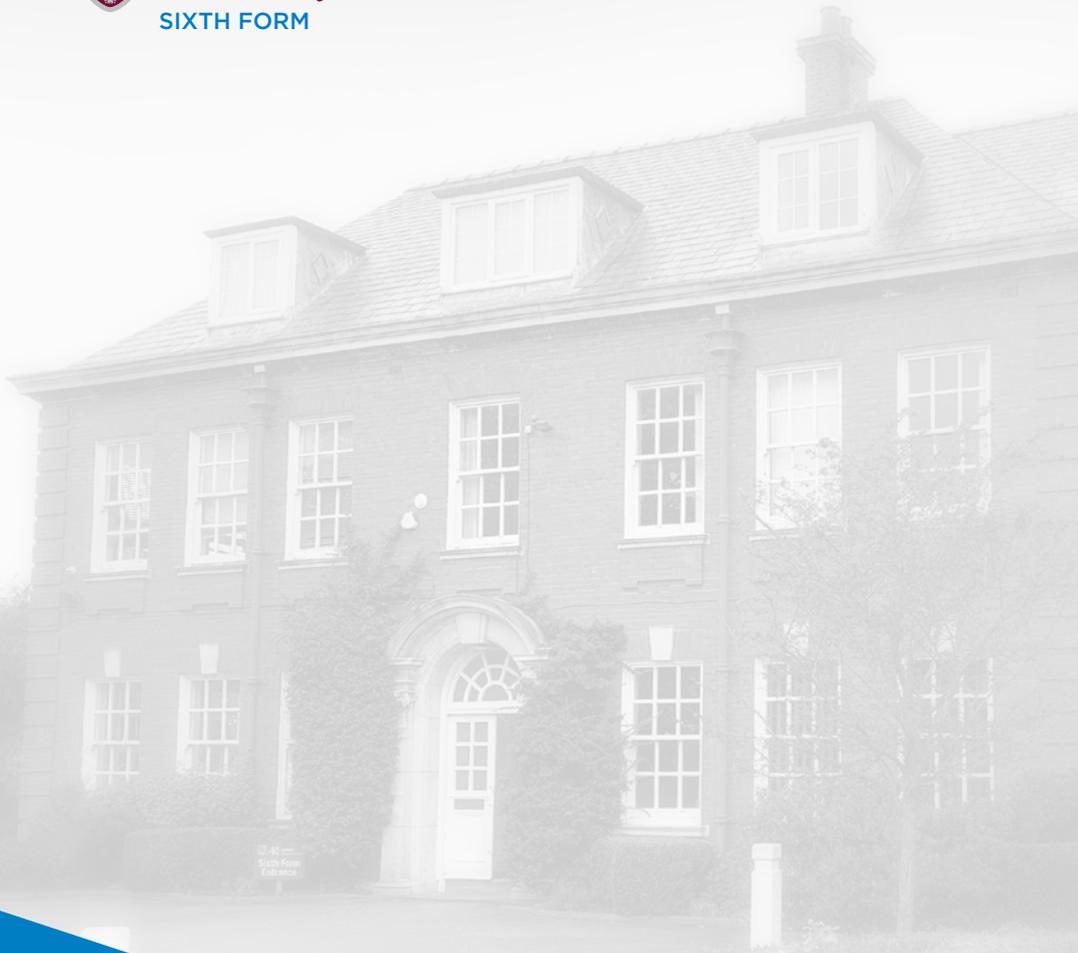

Students can study a variety of media, including:

- Fine art
- Print making
- Ceramics
- Digital photography
- Contextual studies
- Textiles
- Graphics
- Gallery visits
