

20 May 2022

Dear Parents and Carers

Year 11

Year 11 students have now completed their first week of exams and so are getting used to the routines. I encourage you to keep your sons and daughters motivated with the importance of revision, getting a good night's sleep and arriving in school in good time for a 9.00 a.m. start. Breakfast will continue to be available in the dining room from 8.30 a.m. May I also remind you that students are still in school full time and do not have permission to leave school after an exam.

Free School Meals

The Local Authority has informed us that Edenred Vouchers will be available for students in receipt of free school meals for the May Half Term. The vouchers for £15 per student will be distributed in the usual way from 27th May 2022.

Assemblies

This week the school assemblies have been delivered by our school's LGBTQ+ group on the theme of 'labels' and the importance of speaking out to challenge inappropriate labels, names and stereotypes. I would like to congratulate the group for a well presented assembly with a clear powerful message.

Encompass

For several years the school has been part of Operation Encompass whereby the school is informed before the next school day of any domestic abuse or missing child incident. Please find attached a letter with further information as a reminder about Encompass.

Yours faithfully

Mr A Waller
Headteacher
