

Home Learning

Over the next few weeks we would like you to work with your child on the following challenges:

Parent Challenge

Share your favourite story that has a dilemma

Joint Challenge

Look in books or online at different images of dragons

Pupil Challenge (on their own, or with a little help!)

Draw or make a dragon. Be as creative as you wish!

Examples

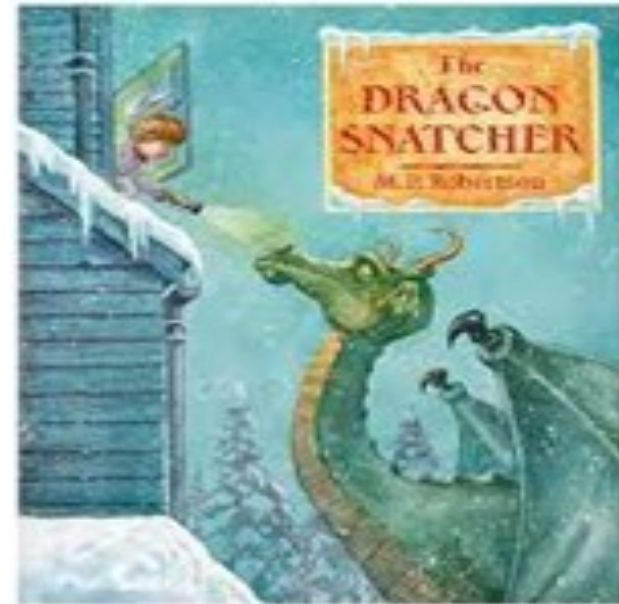

Please remind your child to bring in their pupil challenge any time throughout this project.

Thank you

Dragon Snatcher

Fantasy Adventure Writing!

PROJECT OUTCOME

This project has an internal outcome where the children will be sharing their learning with Early Years

This project will be for 6 weeks and the children will listen to a story in order to understand character traits, settings and how suspense is created in order to write their own fantasy story.

English

The children will:

English

- Listen to and analyse the book Dragon Snatcher
- Create noun phrases, expanded noun phrases and similes
- Understand what adverbs are and where to apply them
- Re-tell the beginning of Dragon Snatcher
- Create their own dilemma and solution and apply them in their own dragon fantasy story

D.T.

The children will:

Design and Technology

- Design their own dragon push/pull toy
- Use a drill to form a hole in 4 wheels ready or an axle
- Use a hacksaw to cut an axle to size
- Assemble and demonstrate their toy

Art

The children will:

Art

- Explore different clay manipulation techniques
- Create a textured and smooth dragon's eye

To become a better learner we will gain mastery over tools in order to produce an innovative toy by extending, developing and elaborating on the one idea.

I AM A CREATIVE LEARNER

Creativity

We will learn by generating and using a criteria that can be judged and be imaginative with our ideas to produce an innovative outcome.

I AM A THINKING LEARNER

Thinking

We will learn and use these new words

plot, character, dilemma, setting, resolve, suspense, axle
