Dear Parents/Carers,

Reception Baseline Assessment

We would like to take this opportunity to say how lovely it has been to have the children in school with us. They have been amazing in their week of school. We look forward to continuing to help them settle into new routines next week.

Some of you may be aware that the government require us to undertake a statutory Reception Baseline Assessment (RBA), which must be carried out in the first 6 weeks of the children starting school. The baseline includes assessment activities for maths development and communication and language development. We have started working one to one with them to carry out the Baseline in a child-friendly and exciting way. We will continue to complete these with the children over the next couple of weeks. Please find attached a leaflet with more information regarding the Baseline Assessment. If you have any questions, or would like to discuss it further, please come and speak to either Mrs Dalton, Mrs Nocella or I.

The link below contains details of the RBA privacy notice for your reference:
