

Home Learning

Over the next few weeks we would like you to work with your child on the following challenges:

Parent Challenge

- Discuss your address with your child and any other addresses they may know.

Pupil Challenge

- Come up with 3 important things you see on your walk to school and label them on your route to school map.

Joint Challenge

- Draw your route to school as a map, including road names and any human/physical geographical features.

Please remind your child to bring in their pupil challenge on or before ...

Thursday the 27th of March

Thank you!

Wonderful Winklebury

For your diary:

Thursday the 3rd of April 2:45-3:15

PROJECT OUTCOME

You are invited to experience an exhibition all about our local area 'Wonderful Winklebury'!

This will be a 6 week long project. The children will be discovering the history and geography of Winklebury by using a compass, interviewing locals and going on walks to explore the areas around our school.

Geography

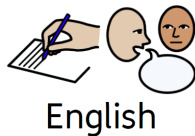

The children will:

- Identify different locations using a map.
- Investigate what human and physical geography is and identify the features around the area.
- Program beebots to move North, South, East and West.
- Map a route to walk around the local area and label different things they find.

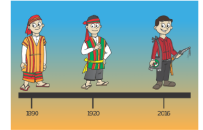

English

The children will:

- Write sentences about the area they live in using conjunctions to add more detail.
- Add suffixes -ing, -ed, -es/-s to the end of words.
- Interview some local residents of Winklebury to find out more information.

History

History

The children will:

- Discuss the history of Winklebury and how it has changed.
- Order images of Winklebury throughout time.
- Create an exhibition to teach others about Winklebury's changes.

To become a better learner we will take on a specified role in a team, accepting delegated tasks and working towards achieving a common goal or outcome.

I AM AN INTERDEPENDENT LEARNER

Interdependence

To become a better learner we will process a variety of information using a range of organising tools.

I AM A THINKING LEARNER

Thinking

We will learn and use these new words:

Compass, location, route, birds eye, cul-de-sac, globe, roundabout, city, town.
