School Trips

We will be visiting QMC on 3rd October (and again in the spring term) . There are no costs involved for these visits.

We will be visiting Southampton's Titanic museum 16th January and The Anvil in summer term (date TBC). To cover these costs (including coach to Southampton) we will be asking for contributions. To make this, hopefully a little easier, the office will be sending a parentmail explaining how instalments across the year can be made.

We will be taking the children for 6 swimming sessions at Cranborne pool in the summer term (dates TBC). We did this for the first time last year and it was very well received by all concerned!
