

CASTLE HILL PRIMARY SCHOOL POLICY THE EDUCATION OF LOOKED AFTER CHILDREN AND YOUNG PEOPLE

Reviewed: February 2020

Castle Hill Primary School believes that in partnership with Hampshire County Council as Corporate Parents we have a special duty to safeguard and promote the education of Looked After Children.

AIMS

To provide a safe and secure environment, where education is valued and there is a belief in the abilities and potential of all children.

To support our looked after children and give them access to every opportunity to achieve to their potential and enjoy learning.

To fulfil our schools' role as corporate parents to promote and support the education of our Looked After Children, by asking the question, '**Would this be good enough for my child?**'

Legislation and statutory guidance

This policy is based on the Department for Education's statutory guidance on the designated teacher for looked-after and previously looked-after children. It also takes into account section 20 and section 20A of the Child and Young Persons Act 2008.

Definitions

Looked-after children are registered pupils that are:

- In the care of a local authority, or
- Provided with accommodation by a local authority in the exercise of its social services functions, for a continuous period of more than 24 hours

Previously looked-after children are registered pupils that fall into either of these categories:

- They were looked after by a local authority but ceased to be as a result of any of the following:
 - A child arrangements order, which includes arrangements relating to who the child lives with and when they are to live with them
 - A special guardianship order
 - An adoption order
- They appear to the governing board to have:
 - Been in state care in a place outside of England and Wales because they would not have otherwise been cared for adequately, and
 - Ceased to be in that state care as a result of being adopted

Personal education plan (PEP) is part of a looked-after child's care plan that is developed with the school. It forms a record of what needs to happen and who will make it happen to ensure the child reaches their full potential.

Virtual school head (VSH) is a local authority officer responsible for promoting the educational achievement of their authority's looked-after children, working across schools to monitor and support these pupils as if they were in a single school. The VSH is also responsible for providing information and advice to schools, parents and guardians in respect of previously looked-after children.
